**TRIBAL-STATE COMPACT
BETWEEN THE STATE OF CALIFORNIA AND THE
SAN MANUEL BAND OF MISSION INDIANS**

The San Manuel Band of Mission Indians (Tribe), a federally recognized Indian tribe, and the State of California (State) enter into this tribal-state class III gaming compact pursuant to the Indian Gaming Regulatory Act of 1988 (IGRA).

PREAMBLE

WHEREAS, the Tribe has inhabited the San Bernardino highlands, passes, valleys, mountains and high deserts since time immemorial; and

WHEREAS, the Tribe is committed to improving the environment, educational attainment, and the health, safety and general welfare of its members and the surrounding communities; and

WHEREAS, in 1988, Congress enacted IGRA as the federal statute governing Indian gaming in the United States. The purposes of IGRA are to provide a statutory basis for the operation of gaming by Indian tribes as a means of promoting tribal economic development, self-sufficiency, and strong tribal governments; to provide a statutory basis for regulation of Indian gaming adequate to shield it from organized crime and other corrupting influences; to ensure that the Indian tribe is the primary beneficiary of its gaming operation; to ensure that gaming is conducted fairly and honestly by both the operator and players; and to declare that the establishment of an independent federal regulatory authority for gaming on Indian lands, federal standards for gaming on Indian lands, and a National Indian Gaming Commission are necessary to meet congressional concerns; and

WHEREAS, in 1999, the Tribe and the State entered into the “Tribal-State Compact between the State of California and the San Manuel Band of Mission Indians” (1999 Compact) to enable the Tribe to achieve economic self-reliance, provide essential services to its citizens, and build a strong tribal government; to initiate a new era of tribal-state cooperation in areas of mutual concern; and out of a respect for the will of the voters of California who, in approving Proposition 5, expressed their opinion that the forms of gaming authorized herein should be allowed on tribal lands; and

WHEREAS, the Tribe and the State entered into the Amendment to the Tribal-State Gaming Compact between the State of California and the San Manuel Band of Mission Indians, executed on August 28, 2006 (2006 Amended Compact), an amendment to the 1999 Compact that allowed the Tribe to meet additional market demand and significantly increased the Tribe's revenue payments to the State; and

WHEREAS, the Tribe and the State entered into negotiations to amend and restate the 2006 Amended Compact, which resulted in the terms of this Tribal- State Compact Between the State of California and the San Manuel Band of Mission Indians (Compact); and

WHEREAS, the Tribe and the State have a common interest in ensuring the Revenue Sharing Trust Fund which benefits non-gaming and limited gaming tribes is adequately funded; and

WHEREAS, the State and the Tribe recognize that the exclusive rights the Tribe enjoys under this Compact provide a unique opportunity for the Tribe to operate its Gaming Facility in a market free of competition from the operation of slot machines and banked card games on non-Indian lands in California and that this exclusive environment is of great value to the Tribe; and

WHEREAS, in consideration of the exclusive rights enjoyed by the Tribe to engage in the Gaming Activities and to operate Gaming Devices as specified in this Compact and pursuant to IGRA, the Tribe restates its intent, *inter alia*, to provide to the State, on a sovereign-to-sovereign basis, fair cost reimbursement and mitigation from revenues from the Gaming Devices operated pursuant to this Compact on a payment schedule; and

WHEREAS, the Tribe and the State share an interest in mitigating the off-reservation impacts of the Gaming Facility, affording meaningful consumer and employee protections in connection with the operations of the Gaming Facility, fairly regulating the Gaming Activities conducted at the Gaming Facility, and fostering a good-neighbor relationship; and

WHEREAS, the Tribe and the State share a joint sovereign interest in ensuring that Gaming Activities are free from criminal and other undesirable elements; and

WHEREAS, this Compact will afford the Tribe primary responsibility over the regulation of its Gaming Facility, ensure the Tribe is the primary beneficiary of its

Gaming Operations, and enhance the Tribe's economic development and self-sufficiency; and

WHEREAS, the State and the Tribe have therefore concluded that this Compact protects the interests of the Tribe and its members, the surrounding communities, and the California public, and will promote and secure long-term stability, mutual respect, and mutual benefits; and

WHEREAS, the State and the Tribe agree that all terms of this Compact are intended to be binding and enforceable.

NOW, THEREFORE, the Tribe and the State agree as set forth herein:

SECTION 1.0. PURPOSES AND OBJECTIVES.

- (c) Promote ethical practices in conjunction with Class III Gaming through the licensing and control of persons and entities employed in, or providing goods and services to, the Gaming Operation, protect against the presence or participation of persons whose criminal backgrounds, reputations, character, or associations make them unsuitable for participation in gaming, thereby maintaining a high level of integrity in tribal government gaming, and protect the patrons and employees of the Gaming Operation and the local communities; and

As used herein, “cumulatively considerable” means that the incremental effects of an individual Project are considerable when viewed in connection with the effects of past projects, the effects of other current projects, and the effects of probable future projects.
- (c) The off-reservation environmental effects of a Project will cause substantial adverse effects on human beings, either directly or indirectly.

No person employed in, or in connection with, the management, supervision, or conduct of any Gaming Activity may be a member or employee of the Tribal Gaming Agency.

Sec. 2.29. “Tribe” means the San Manuel Band of Mission Indians, a federally recognized Indian tribe listed in the Federal Register or an authorized official or agency thereof.

SECTION 3.0. SCOPE OF CLASS III GAMING AUTHORIZED.

Sec. 3.1. Authorized Class III Gaming.

(a) The Tribe is hereby authorized and permitted to operate only the following Gaming Activities under the terms and conditions set forth in the Compact:

(1) Gaming Devices.

- (2) Any banking or percentage card games.
 - (3) Any devices or games that are authorized under state law to the California State Lottery, provided that the Tribe will not offer such games through use of the Internet unless others in the state are permitted to do so under state and federal law.
 - (4) Off-track wagering on horse races in the Gaming Facility pursuant to the off-track wagering compact between the Tribe and the State approved by the Assistant Secretary-Indian Affairs, United States Department of the Interior, on March 27, 1991.
- (b) Nothing herein shall be construed to preclude the Tribe from offering class II gaming at the Tribe's Gaming Facility.
 - (c) Nothing herein shall be construed to authorize or permit the operation of any Class III Gaming that the State lacks the power to authorize or permit under article IV, section 19, subdivision (f), of the California Constitution.
 - (d) The Tribe shall not engage in Class III Gaming that is not expressly authorized in this Compact.

SECTION 4.0. AUTHORIZED LOCATION OF GAMING FACILITY, NUMBER OF GAMING DEVICES, COST REIMBURSEMENT, AND MITIGATION.

Sec. 4.1. Authorized Number of Gaming Devices.

The Tribe is entitled to operate up to a total of seven thousand, five hundred (7,500) Gaming Devices pursuant to the conditions set forth in section 3.1 and sections 4.2 through and including section 5.3.

Sec. 4.2. Authorized Gaming Facility.

The Tribe may establish and operate not more than two (2) Gaming Facilities within which to offer Gaming Activities and if the Tribe chooses to operate more than one (1) Gaming Facility, then one (1) of the two (2) Gaming

Facilities shall have no more than one thousand (1,000) Gaming Devices. The Tribe's Gaming Facilities may be located only on the Tribe's Indian lands on which Class III Gaming may lawfully be conducted under IGRA as those Indian lands exist on the effective date of this Compact.

- (a) To ensure that a new Gaming Facility is on Indian lands that reflect the Tribe's and the State's agreement regarding the Tribe's land that is eligible for that purpose, for those parcels of land taken into trust for the Tribe after October 17, 1988 the Tribe shall, no later than ninety (90) days prior to the commencement of a Project to construct the Gaming Facility, provide written notice to the State, along with documentation adequate to support the Tribe's determination that the Gaming Facility will be located on property that is Indian lands eligible for Class III Gaming within the meaning of IGRA and this section 4.2.
- (b) The parties shall meet within thirty (30) calendar days of the State's receipt of the Tribe's notice and documentation to confirm that the parcel or parcels were Indian lands eligible for gaming as of the effective date of this Compact. If the State determines that the parcel or parcels do not meet the necessary criteria, or that it has not received documentation adequate for purposes of making that determination, then it may institute the dispute resolution process set forth in section 13.0 to resolve whether the parcel or parcels meet the requirements of this section.
- (c) If the State fails to respond to the Tribe's notice and documentation within thirty (30) days of receipt, refuses to meet, or fails within fifteen (15) days after the meeting to initiate the dispute resolution process, then the Tribe may institute the dispute resolution process set forth in section 13.0 to resolve whether the parcel or parcels meet the requirements of this section before a Gaming Facility may be constructed thereon.

Sec. 4.3. Special Distribution Fund.

- (a) The Tribe shall pay to the State on a pro rata basis the State's 25 U.S.C. § 2710(d)(3)(C) costs incurred for purposes consistent with IGRA, including the performance of all its duties under this Compact, the administration and implementation of tribal-state gaming

compacts, and funding for the Office of Problem Gambling, as determined by the monies appropriated in the annual Budget Act each fiscal year to carry out those purposes (Appropriation). The Appropriation and the maximum number of Gaming Devices operated by all federally recognized tribes in California pursuant to tribal-state Class III Gaming compacts determined to be in operation during the previous State fiscal year shall be reported annually by the State Gaming Agency to the Tribe on or before December 15. The term “operated” or “operation” as used in this Compact in relation to Gaming Devices describes each and every Gaming Device available to patrons (including slot tournament contestants) for play at any given time during the prior fiscal year. The Tribe’s pro rata share of the State’s 25 U.S.C. § 2710(d)(3)(C) regulatory costs in any year this Compact is in effect shall be calculated by the following equation:

The maximum number of Gaming Devices operated in the Tribe’s Gaming Facility during the previous State fiscal year as determined by the State Gaming Agency, divided by the maximum number of Gaming Devices operated by all federally recognized tribes in California pursuant to tribal-state Class III Gaming compacts during the previous State fiscal year, multiplied by the Appropriation, equals the Tribe’s pro rata share.

- (1) Beginning the first full quarter after Class III Gaming commences under this Compact, the Tribe shall pay its pro rata share to the State Gaming Agency for deposit into the Indian Gaming Special Distribution Fund established by the Legislature (Special Distribution Fund). The payment shall be made in four (4) equal quarterly installments due on the thirtieth (30th) day following the end of each calendar quarter (i.e., by April 30 for the first quarter, July 30 for the second quarter, October 30 for the third quarter, and January 30 for the fourth quarter); provided, however, that in the event this Compact becomes effective during a calendar quarter, payment shall be prorated for the number of days remaining in that initial quarter, in addition to any remaining full quarters in the first calendar year of operation to obtain a full year of full quarterly payments of the Tribe’s pro rata share specified above. A payment year will run from January through December. If any

portion of the Tribe's quarterly pro rata share payment or payment pursuant to section 4.3, subdivision (b) or section 4.5, is overdue, the Tribe shall pay to the State for purposes of deposit into the appropriate fund, the amount overdue plus interest accrued thereon at the rate of one percent (1%) per month or the maximum rate permitted by state law for delinquent payments owed to the State, whichever is less. All quarterly payments shall be accompanied by the report specified in section 4.7.

- (2) If the Tribe objects to the State's determination of the Tribe's pro rata share, or to the amount of the Appropriation as including matters not consistent with IGRA, the matter shall be resolved in accordance with the dispute resolution provisions of section 13.0. Any State determination of the Tribe's pro rata share challenged by the Tribe shall govern and shall be paid by the Tribe to the State when due, and the Tribe's payment is a condition precedent to invoking the section 13.0 dispute resolution provisions.
 - (3) The Tribe's annual pro rata share payment amount shall be capped at an amount equal to a five percent (5%) increase from the Tribe's pro rata share calculated in the immediately preceding year. The Tribe shall not be required to pay any amount of the Tribe's calculated pro rata share that exceeds its calculated pro rata share from the immediately preceding year by more than five percent (5%).
 - (4) The foregoing payments have been negotiated between the parties as a fair and reasonable contribution, based upon the State's costs of regulating and mitigating certain impacts of tribal Class III Gaming Activities including problem gambling, as well as the Tribe's market conditions, its circumstances, and the rights afforded and consideration provided by this Compact.
- (b) The Tribe further agrees to pay an additional five hundred thousand dollars (\$500,000) into the Special Distribution Fund to ensure it remains solvent in order to carry out the purposes set forth in section 4.3.1 during periods in which the number of tribes making pro rata

share payments may be insufficient. In the event the pro rata funding for the Special Distribution Fund statewide has proven sufficient to meet the purposes set forth in section 4.3.1 for three (3) consecutive years, the parties agree to meet and confer for the purpose of making an appropriate reduction in the additional payment described in this subdivision (b).

- (c) In the event the Tribe's pro rata share pursuant to subdivision (a) exceeds three million dollars (\$3,000,000) after application of the five percent (5%) limitation provided by subdivision (a)(3), the Tribe shall pay only its pro rata share.

Sec. 4.3.1. Use of Special Distribution Funds.

Revenue placed in the Special Distribution Fund shall be available for appropriation by the Legislature for the following purposes:

- (a) Grants, including any administrative costs, for programs designed to address and treat gambling addiction;
- (b) Grants, including any administrative costs and environmental review costs, for the support of State and local government agencies impacted by tribal government gaming;
- (c) Compensation for regulatory costs incurred by the State including, but not limited to, the Commission, the California Department of Justice, the Office of the Governor, the California Department of Public Health Programs, the Office of Problem Gambling, the State Controller, the Department of Human Resources, the Financial Information System for California, and State Designated Agencies in connection with the implementation and administration of Class III Gaming compacts in California;
- (d) Compensation to state and local governments for law enforcement, fire, public safety, and other emergency response services provided in response to or arising from any threat to the health, welfare, and safety of Gaming Facility patrons, employees, tribal members, or the public generally; and

- (e) Any other purposes specified by the Legislature that are consistent with IGRA, including funds necessary to ensure adequate funding to the Revenue Sharing Trust Fund.

Sec. 4.4. Quarterly Revenue Contribution Report.

At the time each quarterly payment is due, the Tribe shall submit to the State Gaming Agency a report, prepared and certified by an authorized representative of the Gaming Operation, which sets forth the following information:

- (a) The calculation of the average number of Gaming Devices in operation during the quarter;
- (b) The total amount of the quarterly revenue contribution paid to the State under sections 4.3 and 4.5; and
- (c) The total amount of the quarterly revenue contribution paid to the San Manuel Community Credit Fund as defined in section 5.3.

Sec. 4.5. Effective Date of Revenue Contribution Provisions.

The provisions of this Compact establishing or amending existing revenue sharing obligations of the Tribe, including sections 4.3, 4.6, 5.2, and 5.3, will take effect on July 1, 2017 if the Compact is in effect pursuant to section 14.1 on that date, or, if not, will take effect on the first day of the calendar month following the effective date of this Compact, to allow the State and the Tribe time to plan for the implementation of these provisions. Until that date, the revenue contributions set forth in the Amendment to the Tribal-State Gaming Compact between the State of California and the San Manuel Band of Mission Indians, executed on August 28, 2006, will remain in effect.

Sec. 4.6. Cost Reimbursement and Mitigation to Local Governments.

Before the commencement of a Project, the Tribe shall follow those procedures, and enter into those agreements, required pursuant to section 11.0, to mitigate Significant Effects on the Off-Reservation Environment that any tribal environmental impact report described in section 11.0 identifies may occur as a result of the Gaming Facility. In addition, the Tribe shall enter into all applicable agreements with the County, or other local jurisdictions, or state agency, as may be appropriate, for such undertakings and services that mitigate the impacts of the

Gaming Facility, which further the purposes of section 5.3, and thereby benefit the Gaming Facility, the Tribe, the County, or other affected jurisdictions. Copies of all such agreements shall be provided to the State.

Sec. 4.7. Quarterly Payments and Quarterly Contribution Report.

- (a)
 - (1) The Tribe shall remit quarterly to the State Gaming Agency (i) the payments described in section 4.3, for deposit into the Special Distribution Fund, and (ii) the payments described in section 5.2, for deposit into the Revenue Sharing Trust Fund or the Tribal Nation Grant Fund.
 - (2) The Tribe shall make quarterly payments described in section 5.3 for deposit into the San Manuel Community Credit Fund.
 - (3) If the Gaming Activities authorized by this Compact commence during a calendar quarter, the first payment shall be due on the thirtieth (30th) day following the end of the first full calendar quarter of the Gaming Activities and shall cover the period from the commencement of the Gaming Activities to the end of the first full calendar quarter.
 - (4) All quarterly payments shall be accompanied by the certification specified in subdivision (b).
- (b) At the time each quarterly payment is due, regardless of whether any monies are owed, the Tribe shall submit to the State Gaming Agency a certification (Quarterly Contribution Report) that specifies the following:
 - (1) The amount due pursuant to section 4.3; and
 - (2) The total amount of the quarterly payment paid to the State.

The Quarterly Contribution Report shall be prepared by the chief financial officer of the Gaming Operation.
- (c) Notwithstanding anything to the contrary in section 13.0, any failure of the Tribe to remit the payments referenced in subdivision (a), will entitle the State to immediately seek injunctive relief in federal court

or, if the federal court lacks jurisdiction, in the appropriate state superior court, to compel the payments, plus accrued interest thereon at the rate of one percent (1%) per month, or the maximum rate permitted by State law for delinquent payments owed to the State, whichever is less; and further, the Tribe expressly consents to be sued in federal court or, if the federal court lacks jurisdiction, in the appropriate state superior court and waives its right to assert sovereign immunity against the State in any such proceeding. Failure to make timely payment shall be deemed a material breach of this Compact.

- (d) If any portion of the payments under subdivision (a) of this section is overdue after the State Gaming Agency has provided written notice to the Tribe of the overdue amount with an opportunity to cure of at least fifteen (15) business days, and if more than sixty (60) calendar days have passed from the due date, then the Tribe shall cease operating all of its Gaming Devices until full payment is made.

Sec. 4.8. Exclusivity.

- (a) Although the parties recognize that Indian tribes in California have the exclusive right to operate Gaming Devices and banking or percentage card games, the parties have agreed that in the event the exclusive right of Indian tribes to operate Gaming Devices in California is abrogated by the enactment, amendment, or repeal of a state statute or constitutional provision, or the conclusive and dispositive judicial construction of a statute or the state Constitution by a California appellate court after the effective date of this Compact that Gaming Devices may lawfully be operated by another person, organization, or entity (other than an Indian tribe pursuant to a Class III Gaming compact) within California, the Tribe shall have the right to exercise one (1) of the following options:
 - (1) Terminate this Compact, in which case the Tribe will lose the right to operate Gaming Devices and other Class III Gaming authorized by this Compact; or
 - (2) Continue under this Compact with an entitlement to a reduction of the rates specified in sections 5.2 and 5.3 following conclusion of negotiations to provide for: (A) compensation to the State for the costs of regulation, as set forth in section 4.3;

(B) reasonable payments to local governments impacted by tribal government gaming, the amount to be determined based upon any intergovernmental agreement entered into pursuant to sections 4.6 or 11.7; (C) grants for programs designed to address and treat gambling addiction; and (D) such assessments as may be permissible at such time under federal law. The negotiations shall commence within thirty (30) days after receipt of a written request by a party to enter into the negotiations, unless both parties agree in writing to an extension of time. If the Tribe and the State fail to reach agreement on the amount of reduction of such payments within sixty (60) days following commencement of the negotiations specified in this section, the amount shall be determined by arbitration pursuant to section 13.2.

- (b) Nothing in this section is intended to preclude the California State Lottery from offering any lottery games or devices that are currently or may hereafter be authorized by state law.
- (c) Nothing in this section precludes the Tribe from invoking the dispute resolution provisions of section 13.0 to address the issue of whether any person or entity (other than an Indian tribe with an approved Class III Gaming compact) is engaging in the Gaming Activities specified in subdivisions (a) or (b) of section 3.1 of this Compact.

SECTION 5.0. REVENUE SHARING WITH NON-GAMING AND LIMITED-GAMING TRIBES.

Sec. 5.1. Definitions.

For purposes of this section 5.0, the following definitions apply:

- (a) The “Revenue Sharing Trust Fund” is a fund created by the Legislature and administered by the State Gaming Agency that, as limited trustee, is not a trustee subject to the duties and liabilities contained in the California Probate Code, similar state or federal statutes, rules or regulations, or under state or federal common law or equitable principles, and has no duties, responsibilities, or obligations hereunder except for the receipt, deposit, and distribution of monies paid by gaming tribes for the benefit of Non-Gaming Tribes and

Limited-Gaming Tribes. The State Gaming Agency shall allocate and disburse the Revenue Sharing Trust Fund monies on a quarterly basis as specified by the Legislature. Each eligible Non-Gaming Tribe and Limited-Gaming Tribe in the State shall receive the sum of one million one hundred thousand dollars (\$1,100,000) per year from the Revenue Sharing Trust Fund. In the event there are insufficient monies in the Revenue Sharing Trust Fund to pay one million one hundred thousand dollars (\$1,100,000) per year to each eligible Non-Gaming Tribe and Limited-Gaming Tribe, any available monies in that fund shall be distributed to eligible Non-Gaming Tribes and Limited-Gaming Tribes in equal shares. Monies deposited into the Revenue Sharing Trust Fund in excess of the amount necessary to distribute one million one hundred thousand dollars (\$1,100,000) to each eligible Non-Gaming Tribe and Limited-Gaming Tribe shall remain in the Revenue Sharing Trust Fund available for disbursement in future years, or deposited in the Tribal Nation Grant Fund but shall not be used for purposes other than the Revenue Sharing Trust Fund or the Tribal Nation Grant Fund. In no event shall the State's general fund be obligated to make up any shortfall in the Revenue Sharing Trust Fund or to pay any unpaid claims connected therewith, and, notwithstanding any provision of law, including any existing provision of law implementing the State Gaming Agency's obligations related to the Revenue Sharing Trust Fund under any Class III Gaming compact, Non-Gaming Tribes and Limited-Gaming Tribes are not third-party beneficiaries of this Compact and shall have no right to seek any judicial order compelling disbursement of any Revenue Sharing Trust Fund monies to them.

- (b) The "Tribal Nation Grant Fund" is a fund created by the Legislature to make discretionary distribution of funds to Non-Gaming Tribes and Limited-Gaming Tribes upon application of such tribes for purposes related to effective self-governance, self-determined community, and economic development. The fiscal operations of the Tribal Nation Grant Fund are administered by the State Gaming Agency, which acts as a limited trustee not subject to the duties and liabilities contained in the California Probate Code, similar state or federal statutes, rules, or regulations, or under state or federal common law or equitable principles, and with no duties or obligations hereunder except for the receipt, deposit, and distribution of monies paid by gaming tribes for the benefit of Non-Gaming Tribes and Limited-Gaming Tribes, as

those payments are directed by a State Designated Agency. The State Gaming Agency shall allocate and disburse the Tribal Nation Grant Fund monies as specified by a State Designated Agency to one (1) or more eligible Non-Gaming and Limited-Gaming Tribes upon a competitive application basis. The State Gaming Agency shall exercise no discretion or control over, nor bear any responsibility arising from, the recipient tribes' use or disbursement of Tribal Nation Grant Fund monies. The State Designated Agency shall perform any necessary audits to ensure that monies awarded to any tribe are being used in accordance with their disbursement in relation to the purpose of the Tribal Nation Grant Fund. In no event shall the State's general fund be obligated to pay any monies into the Tribal Nation Grant Fund or to pay any unpaid claims connected therewith, and, notwithstanding any provision of law, including any existing provision of law implementing the State's obligations related to the Tribal Nation Grant Fund or the Revenue Sharing Trust Fund under any Class III Gaming compact, Non-Gaming Tribes and Limited-Gaming Tribes are not third-party beneficiaries of this Compact and shall have no right to seek any judicial order compelling disbursement of any Tribal Nation Grant Fund monies to them.

- (c) A "Non-Gaming Tribe" is a federally recognized tribe in California, with or without a tribal-state Class III Gaming compact, that has not engaged in, or offered, class II gaming or Class III Gaming in any location whether within or outside of California, as of the date of distribution to such tribe from the Revenue Sharing Trust Fund or the Tribal Nation Grant Fund, or during the immediately preceding three hundred sixty-five (365) days.
- (d) A "Limited-Gaming Tribe" is a federally recognized tribe in California that has a Class III Gaming compact with the State but is operating fewer than a combined total of three hundred fifty (350) Gaming Devices in all of its gaming operations wherever located, or does not have a Class III Gaming compact but is engaged in class II gaming, whether within or outside of California, during the immediately preceding three hundred sixty-five (365) days.

Sec. 5.2. Payments to the Revenue Sharing Trust Fund or the Tribal Nation Grant Fund.

- (a) The Tribe shall pay nineteen million dollars (\$19,000,000) annually to the State Gaming Agency for deposit into the Revenue Sharing Trust Fund or the Tribal Nation Grant Fund.
- (b) The Tribe shall remit the payment(s) referenced in subdivision (a) to the State Gaming Agency in quarterly payments, which payments shall be due thirty (30) days following the end of each calendar quarter (i.e., by April 30 for the first quarter, July 30 for the second quarter, October 30 for the third quarter, and January 30 for the fourth quarter).
- (c) If any portion of the Tribe's payment(s) is overdue as required by subdivision (b), the Tribe shall pay to the State for purposes of deposit into the appropriate fund, the amount overdue plus interest accrued thereon at the rate of one percent (1%) per month or the maximum rate permitted by state law for delinquent payments owed to the State, whichever is less.
- (d) All payments made by the Tribe to the State Gaming Agency pursuant to this section shall be deposited into the Revenue Sharing Trust Fund and the Tribal Nation Grant Fund in a proportion to be determined by the Legislature, provided that if there are insufficient monies in the Revenue Sharing Trust Fund to pay one million one hundred thousand dollars (\$1,100,000) per year to each eligible Non-Gaming Tribe and Limited-Gaming Tribe, the State Gaming Agency shall deposit all payments into the Revenue Sharing Trust Fund.

Sec. 5.3. Provision for San Manuel Community Credit Fund.

- (4) Investments by the Tribe in, and any funds paid to the State (not including direct or indirect state or federal funding) in water treatment or conservation projects that, in part, serve the Gaming Facility or any improvements incorporating water

- (5) Non-gaming related capital investments and economic development projects by the Tribe, on or off tribal trust lands, that provide mutual benefits to the Tribe and the State or to the Tribe and local political subdivisions because, for instance, they have particular cultural, social, or environmental value, create jobs, or diversify the sources of revenue for the Tribe's general fund;
- (6) Investments by the Tribe in, and any funds paid to the State, including excise taxes, in connection with renewable energy projects that, in part, serve the Gaming Facility or the Tribe's reservation generally, to include facilities that incorporate charging stations for electric or other zero-emission vehicles that are available to tribal members, patrons, and employees of the Gaming Facility or the Tribe. For purposes of this subdivision (a)(6), "renewable energy projects" means projects that utilize a technology other than a conventional power source, as defined in section 2805 of the Public Utilities Code, as may be amended, and instead uses as a power source biomass, geothermal, small hydroelectric, solar, or wind, as those power sources are defined in section 1391, subdivision (c), of title 20 of the California Code of Regulations, as may be amended from time to time; the power source must not utilize more than twenty-five percent (25%) fossil fuel; and facilities shall include but not be limited to, parking areas, parking garages, and refueling stations. To address changes in technology, the State and the Tribe may meet and agree that specified projects and facilities meet the intent of this subdivision (a)(6);

 - (c) The Tribe shall provide notice to the State of its intent to exercise any of its options under this section 5.3. The State shall have the right to review the proposed uses and, in the exercise of its reasonable discretion, disapprove a proposed use under this section 5.3 within ninety (90) days if it does not meet the purposes set out above.
 - (d) On or before January 31, or other date as otherwise may be agreed to by the parties, of each year, the Tribe shall provide to the State a report of annual contributions to and expenditures from the San Manuel Community Credit Fund for the preceding year. The reporting will include sufficient detail to enable both parties to ensure

that the funds are being used in a manner consistent with the purposes set forth in subdivision (a).

Sec. 5.4. Treatment of Credits Paid by the Tribe in an Economic Downturn.

The Tribe shall provide notice to the State Gaming Agency of its intent to exercise its option under this section, with supporting documentation, no later than ninety (90) days before the payment identified at section 5.3, subdivision (a), is to be paid. If the State objects to the exercise of the option, the Tribe shall make a good-faith effort to address the State's concerns, but if the State does not withdraw its objection, the matter will be resolved in accordance with the dispute resolution provisions of section 13.0.

SECTION 6.0. LICENSING.

- (b) The Tribal Gaming Agency shall make available for inspection by the State Gaming Agency upon request a copy of the Gaming Ordinance, and all of its rules, regulations, procedures, specifications, ordinances, or standards applicable to the Gaming Activities that are referenced and required by this Compact, excluding the Tribal Gaming Agency's internal policies and procedures. The Tribal Gaming Agency shall give notice to the State Gaming Agency of any change or amendment to the Gaming Ordinance, or the Tribal Gaming Agency's rules, regulations, procedures, specifications, ordinances, or standards applicable to the Gaming Activities and any activity that is the subject of this Compact, no later than thirty (30) days after the change or amendment.

- (c) The Tribal Gaming Agency shall make the following documents available in hard copy or on the Gaming Facility's website to its patrons or their legal representatives: the Gaming Ordinance; the rules of each class III game operated by the Tribe, to the extent that such rules are not available for display on the Gaming Device or the table on which the game is played; tribal law, to the extent it impacts the public in relation to the Gaming Activities; the tort ordinance specified in section 12.5, subdivision (b); and, the regulations promulgated by the Tribal Gaming Agency concerning patron disputes pursuant to section 10.0.

- (b) If the Tribe permits the consumption of alcoholic beverages in the Gaming Facility, the Tribe shall prohibit persons under the age of twenty-one (21) years from purchasing, consuming, or possessing alcoholic beverages. The Tribe shall also prohibit persons under the age of twenty-one (21) years from being present in any room or area in which alcoholic beverages may be consumed, except to the extent permitted by the State Department of Alcoholic Beverage Control for other commercial establishments serving alcoholic beverages.

Sec. 6.4. Licensing Requirements and Procedures.

Sec. 6.4.1. Summary of Licensing Principles.

All persons in any way connected with the Gaming Operation or Gaming Facility who are required to be licensed or to submit to a background investigation

under IGRA, and any others required to be licensed under this Compact, including, without limitation, all Gaming Employees, Gaming Resource Suppliers, Financial Sources, and any other person having a significant influence over the Gaming Operation, must be licensed by the Tribal Gaming Agency and cannot have had any determination of suitability denied or revoked by the State Gaming Agency. The parties intend that the licensing process provided for in this Compact shall involve joint cooperation between the Tribal Gaming Agency and the State Gaming Agency, as more particularly described herein.

Sec. 6.4.2. Gaming Facility.

- (a) The Gaming Facility authorized by this Compact shall be licensed by the Tribal Gaming Agency in conformity with the requirements of this Compact, the Gaming Ordinance, IGRA, and any applicable regulations adopted by the NIGC. The license shall be reviewed and renewed every two (2) years thereafter. Verification that this requirement has been met shall be provided by the Tribe to the State by sending, either electronically or by hard copy, a copy of the initial license and each renewal license to the State Gaming Agency within thirty (30) days after issuance of the license or renewal. The Tribal Gaming Agency's certification that the Gaming Facility is being operated in conformity with these requirements shall be posted in a conspicuous and public place in the Gaming Facility at all times.
- (b) To assure the protection of the health and safety of all Gaming Facility patrons, guests, and employees, the Tribe shall adopt, or has already adopted, and shall maintain throughout the term of this Compact, an ordinance that requires any Gaming Facility construction to meet or exceed the construction standards set forth in the Applicable Codes. The Gaming Facility and construction, expansion, improvement, modification, or renovation will also comply with the federal Americans with Disabilities Act, P.L. 101-336, as amended, 42 U.S.C. § 12101 et seq. Notwithstanding the foregoing, the Tribe need not comply with any standard that specifically applies in name or in fact only to tribal facilities. Without limiting the rights of the State under this section, reference to Applicable Codes is not intended to confer jurisdiction upon the State or its political subdivisions. For purposes of this section, the terms "building official" and "code enforcement agency" as used in titles 19 and 24 of the California

Code of Regulations means such person(s), other tribal government agency, or official(s) as may be designated by the Tribe's law.

- (c) To assure compliance with the Applicable Codes, in all cases where the Applicable Codes would otherwise require a permit, the Tribe shall require inspections and, in connection therewith, employ for any Gaming Facility construction qualified plan checkers or review firms. To be qualified as a plan checker or review firm for purposes of this Compact, plan checkers or review firms must be either California licensed architects or engineers with relevant experience, or California licensed architects or engineers on the list, if any, of approved plan checkers or review firms provided by the County. The Tribe shall also employ qualified project inspectors. To be qualified as a project inspector for purposes of this Compact project inspectors must possess comparable qualifications and certifications as project inspectors utilized by the County. The plan checkers, review firms, and project inspectors shall hereinafter be referred to as "Inspectors." The Tribe shall require all Inspectors to maintain contemporaneous records of all inspections and report in writing any failure to comply with the Applicable Codes to the Tribe and its Tribal Gaming Agency and, if the failure is not remedied within thirty (30) days after giving notice of the lack of compliance, give notice to the State Gaming Agency. The Tribe agrees to correct any Gaming Facility condition noted in the inspections that does not meet the Applicable Codes (hereinafter "deficiency").
- (d) The Tribe shall cause the design and construction calculations, and plans and specifications that form the basis for the construction (the "Design and Building Plans") to be available to the State Gaming Agency for inspection and copying by the State Gaming Agency upon its request.
- (e) In the event that material changes to a structural detail of the Design and Building Plans will result from contract change orders or any other material changes in the Design and Building Plans, such changes shall be reviewed and field verified by the Inspectors for compliance with the Applicable Codes.

- (f) The Tribe shall maintain during construction all contract change orders for inspection and copying by the State Gaming Agency upon its request.
- (g) The Tribe shall maintain the Design and Building Plans depicting the as-built Gaming Facility, which shall be available to the State Gaming Agency for inspection and copying by the State Gaming Agency upon its request, for the term of this Compact.
- (h) Upon final certification by the Inspectors that the Gaming Facility meets the Applicable Codes, the Tribe or its Tribal Gaming Agency shall forward the Inspectors' certification to the State Gaming Agency within ten (10) days of issuance. If the State Gaming Agency objects to that certification, the Tribe shall make a good faith effort to address the State's concerns. The State Gaming Agency must provide its objection along with a clear and concise statement of its rationale for objecting, written in a manner that the Tribe may reasonably understand what the State Gaming Agency is requesting be cured, within thirty (30) days of receiving the Inspector's certification. If no objection is made within thirty (30) days of receiving the Inspector's certification the certification will be deemed accepted by the State Gaming Agency. If the State Gaming Agency does not withdraw its objection, the matter will be resolved in accordance with the dispute resolution provisions of section 13.0.
- (i) Any failure to remedy within a reasonable period of time any material and timely raised deficiency shall be deemed a violation of this Compact, and furthermore, any deficiency that poses a serious or significant risk to the health or safety of any occupant shall be grounds for the State Gaming Agency to prohibit occupancy of the affected portion of the Gaming Facility pursuant to the dispute resolution provisions of section 13.0 and a subsequent court order until the deficiency is corrected. The Tribe shall not allow occupancy of any portion of the Gaming Facility that is constructed or maintained in a manner that endangers the health or safety of the occupants.
- (j) Nothing herein shall prohibit the Tribe from requiring additional or more stringent standards in connection with any construction or, modifications to, or improvements to, the Gaming Facility.

- (k) The Tribe shall also take all necessary steps to reasonably ensure the ongoing availability of sufficient and qualified fire suppression services to the Gaming Facility, and to reasonably ensure that the Gaming Facility satisfies all substantive safety and construction requirements of titles 19 and 24 of the California Code of Regulations applicable to similar facilities in the County as set forth below:
- (1) Not less than thirty (30) days before the effective date of the Compact, and not less than every two (2) years thereafter, and upon at least ten (10) days' notice to the State Gaming Agency, the Gaming Facility shall be inspected, at the Tribe's expense, by a qualified tribal inspection official or an independent expert for purposes of certifying that the Gaming Facility meets a reasonable standard of fire safety and life safety.
 - (2) The State Gaming Agency shall be entitled to designate and have a qualified representative or representatives, which may include local fire suppression entities, present during the inspection. During such inspection, the State's representative(s) shall specify to the qualified tribal inspection official or independent expert any condition that the representative(s) reasonably believes would preclude certification of the Gaming Facility as meeting a reasonable standard of fire safety and life safety.
 - (3) The qualified tribal inspection official or independent expert shall issue to the Tribe, the Tribal Gaming Agency, and the State Gaming Agency a report on the inspection within fifteen (15) days after its completion, or within thirty (30) days after commencement of the inspection, whichever first occurs, identifying any deficiency in fire safety or life safety at the Gaming Facility or in the ability of the Tribe to meet reasonably expected fire suppression needs of the Gaming Facility.
 - (4) Within thirty (30) days after the issuance of the report, the qualified tribal inspection official or independent expert shall also require and approve a specific plan for correcting deficiencies, whether in fire safety or life safety, at the Gaming Facility or in the Tribe's ability to meet the reasonably expected

fire suppression needs of the Gaming Facility, including those identified by the State Gaming Agency's representative(s). A copy of the report shall be delivered to the State Gaming Agency and the Tribal Gaming Agency.

- (5) Immediately upon correction of all deficiencies identified in the report, the qualified tribal inspection official or independent expert shall certify in writing to the Tribe, the Tribal Gaming Agency, and the State Gaming Agency that all deficiencies have been corrected.
- (6) Any failure to correct all deficiencies identified in the report within a reasonable period of time shall be deemed a violation of this Compact, and any failure to promptly correct those deficiencies that pose a serious or significant risk to the health or safety of any occupants shall be a violation of this Compact and grounds for the State Gaming Agency to prohibit occupancy of the affected portion of the Gaming Facility pursuant to the dispute resolution provisions of section 13.0 and a subsequent court order until the deficiency is corrected.
- (7) Consistent with its obligation to ensure the safety of those within the Gaming Facility, the Tribe shall promptly notify the State Gaming Agency of circumstances that pose a serious and significant risk to the health or safety of occupants and take prompt action to correct such circumstances. Any failure to remedy within a reasonable period of time any serious and significant risk to public safety shall be deemed a violation of this Compact, and furthermore, any circumstance that poses a serious or significant risk to the health or safety of any occupant shall be grounds for the State Gaming Agency to prohibit occupancy of the affected portion of the Gaming Facility pursuant to the dispute resolution provisions of section 13.0 and a subsequent court order until the deficiency is corrected.
- (l) Notwithstanding anything in section 6.4 or elsewhere in this Compact, any construction of any Project that has taken place or has commenced prior to the effective date of this Compact shall be subject to the facility license rules in section 6.4.2 of the Amendment to the Tribal-State Compact between the State of California and the San

Manuel Band of Mission Indians executed on August 28, 2006, provided that the Project was previously approved under section 6.4.2 of that compact.

Sec. 6.4.3. Gaming Employees.

- (a) Every Gaming Employee shall obtain, and thereafter maintain current, a valid tribal gaming license, and except as provided in subdivision (b), shall obtain, and thereafter maintain current, a State Gaming Agency determination of suitability, which license and determination shall be subject to biennial renewal; provided that in accordance with section 6.4.9, those persons may be employed on a temporary or conditional basis pending completion of the licensing process and the State Gaming Agency determination of suitability.
- (b) A Gaming Employee who is required to obtain and maintain current a valid tribal gaming license under subdivision (a) is not required to obtain or maintain a State Gaming Agency determination of suitability if any of the following applies:
 - (1) The employee is subject to the licensing requirement of subdivision (a) solely because he or she is a person who conducts, operates, maintains, repairs, or assists in Gaming Activities, provided that this exception shall not apply if he or she supervises Gaming Activities or persons who conduct, operate, maintain, repair, assist, account for or supervise any such Gaming Activity, and is empowered to make discretionary decisions affecting the conduct of the Gaming Activities.
 - (2) The employee is subject to the licensing requirement of subdivision (a) solely because he or she is a person whose employment duties require or authorize access to areas of the Gaming Facility that are not open to the public, provided that this exception shall not apply if he or she supervises Gaming Activities or persons who conduct, operate, maintain, repair, assist, account for or supervise any such Gaming Activity, and is empowered to make discretionary decisions affecting the conduct of the Gaming Activities.

- (3) The State Gaming Agency, in consultation with the Tribal Gaming Agency, exempts the Gaming Employee from the requirement to obtain or maintain current a State Gaming Agency determination of suitability.
- (c) Notwithstanding subdivision (b), where the State Gaming Agency determines it is reasonably necessary, the State Gaming Agency is authorized to review the tribal license application, and all materials and information received by the Tribal Gaming Agency in connection therewith, for any person whom the Tribal Gaming Agency has licensed, or proposes to license, as a Gaming Employee. If the State Gaming Agency determines that the person would be unsuitable for issuance of a license or permit for a similar level of employment in a gambling establishment subject to the jurisdiction of the State, it shall notify the Tribal Gaming Agency of its determination and the reasons supporting its determination. The Tribal Gaming Agency shall thereafter conduct a hearing, in accordance with section 6.5.5, to reconsider issuance of the tribal gaming license and shall immediately notify the State Gaming Agency of its determination after the hearing, which shall be final unless made the subject of dispute resolution pursuant to section 13.0 within thirty (30) days of such notification.
- (d) At any time after five (5) years following the effective date of this Compact, either party to this Compact may request renegotiation of the scope of coverage of subdivision (b) or (c).
- (e) This section shall not apply to members of the Tribal Gaming Agency.
- (f) Except as provided in subdivision (g), the Tribe will not employ or continue to employ, any person whose application to the State Gaming Agency for a determination of suitability, or for a renewal of such a determination, has been denied or has expired without renewal.
- (g) Notwithstanding subdivision (a), the Tribe may employ or retain in its employ a person whose application for a determination of suitability, or for a renewal of such a determination, has been denied by the State Gaming Agency, if the person is an enrolled member of the Tribe and if:

- (1) The enrolled tribal member holds a valid and current license issued by the Tribal Gaming Agency that must be renewed at least biennially;
- (2) The denial of the application by the State Gaming Agency is based solely on activities, conduct, or associations that antedate, by at least five (5) years, the filing of the enrolled tribal member's initial application to the State Gaming Agency for a determination of suitability; and
- (3) The enrolled member is not an employee or agent of any other gaming operation.

Sec. 6.4.4. Gaming Resource Suppliers.

- (a) Every Gaming Resource Supplier shall be licensed by the Tribal Gaming Agency prior to the sale, lease, or distribution, or further sale, lease, or distribution, of any Gaming Resources to or in connection with the Tribe's Gaming Operation or Facility. Unless the Tribal Gaming Agency licenses the Gaming Resource Supplier pursuant to subdivision (d), the Gaming Resource Supplier shall also apply to, and the Tribe shall require it to apply to, the State Gaming Agency for a determination of suitability at least thirty (30) days prior to the sale, lease, or distribution, or further sale, lease, or distribution, of any Gaming Resources to or in connection with the Tribe's Gaming Operation or Facility, except that for Gaming Devices the period specified under section 7.1, subdivision (a)(1), shall govern. The period during which a determination of suitability as a Gaming Resource Supplier is valid expires on the earlier of (i) the date two (2) years following the date on which the determination is issued, unless a different expiration date is specified by the State Gaming Agency, or (ii) the date of its revocation by the State Gaming Agency. If the State Gaming Agency denies or revokes a determination of suitability, the Tribal Gaming Agency shall immediately deny or revoke the license and shall not reissue any license to that Gaming Resource Supplier unless and until the State Gaming Agency makes a determination that the Gaming Resource Supplier is suitable. The license and determination of suitability shall be reviewed at least every two (2) years for continuing compliance. For purposes of section 6.5.2, such a review shall be deemed to constitute an

application for renewal. In connection with such a review, the Tribal Gaming Agency shall require the Gaming Resource Supplier to update all information provided in the previous application.

- (b) Any agreement between the Tribe or its Gaming Operation and a Gaming Resource Supplier shall include a provision for its termination without further liability on the part of the Tribe or its Gaming Operation, except for the bona fide payment of all outstanding sums (exclusive of interest) owed as of, or payment for services or materials received up to, the date of termination, upon revocation or non-renewal of the Gaming Resource Supplier's license by the Tribal Gaming Agency based on a determination of unsuitability by the State Gaming Agency. Except as set forth above, the Tribe or its Gaming Operation shall not enter into, or continue to make payments to a Gaming Resource Supplier pursuant to, any contract or agreement for the provision of Gaming Resources with any person or entity whose application to the State Gaming Agency for a determination of suitability has been denied or revoked or whose determination of suitability has expired without renewal.
- (c) Notwithstanding subdivision (a), the Tribal Gaming Agency may license a Management Contractor for a period of no more than seven (7) years, but the Management Contractor must still apply for renewal of a determination of suitability by the State Gaming Agency at least every two (2) years, and where the State Gaming Agency denies or revokes a determination of suitability, the Tribal Gaming Agency shall immediately deny or revoke the license and shall not reissue any license to that Management Contractor unless and until the State Gaming Agency makes a determination that the Management Contractor is suitable. Except where the State Gaming Agency has denied or revoked its determination of suitability, nothing in this subdivision shall be construed to bar the Tribal Gaming Agency from issuing additional new licenses to the same Management Contractor following the expiration of a seven (7)-year license.
- (d) The Tribal Gaming Agency may elect to license a person or entity as a Gaming Resource Supplier without requiring it to apply to the State Gaming Agency for a determination of suitability under subdivision (a) if the Gaming Resource Supplier has already been issued a determination of suitability that is then valid. In that case, the Tribal

Gaming Agency shall immediately notify the State Gaming Agency of its licensure of the person or entity as a Gaming Resource Supplier, and shall identify in its notification the State Gaming Agency determination of suitability on which the Tribal Gaming Agency has relied in proceeding under this subdivision (d). Subject to the Tribal Gaming Agency's compliance with the requirements of this subdivision, a Gaming Resource Supplier licensed under this subdivision may, during and only during the period in which the determination of suitability remains valid, engage in the sale, lease, or distribution of Gaming Resources to or in connection with the Tribe's Gaming Operation or Facility, without applying to the State Gaming Agency for a determination of suitability. The issuance of a license under this subdivision is in all cases subject to any later determination by the State Gaming Agency that the Gaming Resource Supplier is not suitable or to a tribal gaming license suspension or revocation pursuant to section 6.5.1, and does not extend the time during which the determination of suitability relied on by the Tribal Gaming Agency is valid. A license issued under this subdivision expires upon the revocation or expiration of the determination of suitability relied on by the Tribal Gaming Agency. Nothing in this subdivision affects the obligations of the Tribal Gaming Agency, or of the Gaming Resource Supplier, under section 6.5.2 and section 6.5.6 of this Compact.

- (e) Except where subdivision (d) applies, within twenty-one (21) days of the issuance of a license to a Gaming Resource Supplier, the Tribal Gaming Agency shall transmit to the State Gaming Agency a copy of the license. All tribal license application materials and information received by the Tribal Gaming Agency from the Applicant that is not otherwise prohibited or restricted from disclosure under applicable federal law or regulation, must be made available to the State Gaming Agency upon request.

Sec. 6.4.5. Financial Sources.

- (a) Every Financial Source shall be licensed by the Tribal Gaming Agency prior to extending any financing in connection with the Tribe's Gaming Operation or Facility. Except as provided in subdivision (e)(4) or section 6.5.6, subdivision (i), every Financial Source shall also apply to, and the Tribe or its Gaming Operation shall

require it to apply to, the State Gaming Agency for a determination of suitability pursuant to the following timetable: (i) at least ninety (90) days prior to extending any financing in connection with the Tribe's Gaming Operation or Facility, provided that any Financial Source that applies for such a determination within ten (10) days of the effective date of this Compact is not in violation of this section; and (ii) in the event of a purchase or acceptance of an assignment or participation interest in any financing in connection with the Tribe's Gaming Operation or Facility, at least five (5) days prior to the Financial Source's purchase or acceptance of the assignment or participation interest. Where the State Gaming Agency denies the determination of suitability, the Tribal Gaming Agency shall immediately deny or revoke the license. In each instance where licensure or an application for a determination of suitability is required as set forth above, the license and determination of suitability shall be reviewed at least every two (2) years for continuing compliance. For purposes of section 6.5.2, such a review shall be deemed to constitute an application for renewal. In connection with such a review, the Tribal Gaming Agency shall require the Financial Source to update all information provided in the previous application.

- (b) Any agreement between the Tribe or its Gaming Operation and a Financial Source shall include a provision for its termination without further liability on the part of the Tribe or its Gaming Operation, except for the payment of all bona fide obligations which remain unpaid as of the date of termination, upon revocation or non-renewal of the Financial Source's license by the Tribal Gaming Agency based on a determination of unsuitability by the State Gaming Agency. Except as provided above, the Tribe shall not enter into, or continue to make payments to a Financial Source pursuant to, any contract or agreement for the provision of financing with any person whose application to the State Gaming Agency for a determination of suitability has been denied or revoked or whose determination of suitability has expired without renewal.
- (c) A Gaming Resource Supplier who provides financing exclusively in connection with the provision, sale, or lease of Gaming Resources obtained from that Gaming Resource Supplier may be licensed solely in accordance with the licensing procedures applicable, if at all, to

Gaming Resource Suppliers, and need not be separately licensed as a Financial Source under this section.

- (d) Within thirty (30) days of the issuance of a license to a Financial Source, the Tribal Gaming Agency shall transmit to the State Gaming Agency a copy of the license and a copy of all tribal license application materials and information received by it from the Applicant which is not otherwise prohibited or restricted from disclosure under applicable federal law or regulation.
- (e) (1) The Tribal Gaming Agency may, at its discretion, exclude from the licensing requirements of this section the following Financial Sources under the circumstances stated:
 - (A) Any federally-regulated or state-regulated bank, savings and loan association, or other federally- or state-regulated lender and any fund or other investment vehicle which is administered or managed by any such entity.
 - (B) Any entity described in the Commission's Uniform Tribal Gaming Regulation CGCC-2, subdivision (f) (as in effect on the date the parties execute this Compact), when that entity is a Financial Source solely by reason of being (i) a purchaser or a holder of debt securities or other forms of indebtedness issued directly or indirectly by the Tribe for a Gaming Facility or for the Gaming Operation, or (ii) the owner of a participation interest in any amount of indebtedness for which a Financial Source described in subdivision (e)(1)(A), or any fund or other investment vehicle which is administered or managed by any such Financial Source, is the creditor.
 - (C) Any investor who, alone or together with any person(s) controlling, controlled by or under common control with such investor, holds less than ten percent (10%) of all outstanding debt securities issued directly or indirectly by the Tribe for a Gaming Facility or for the Gaming Operation.

- (D) Any agency of the federal, state, or local government providing financing, together with any person purchasing any debt securities or other forms of indebtedness of the agency to provide such financing.
- (2) Except as provided in subdivision (e)(4), the Tribal Gaming Agency's exclusion of any Financial Source from the licensing requirements of this section does not relieve the Financial Source from the requirement of applying to the State Gaming Agency for a determination of suitability pursuant to subdivision (a).
- (3) In any case where the Tribal Gaming Agency elects to exclude a Financial Source from the licensing requirements of this section, the Tribal Gaming Agency shall give immediate notice thereof to the State Gaming Agency, shall give reasonable advance notice of any extension of financing by the Financial Source in connection with the Tribe's Gaming Operation or Facility, and upon request of the State Gaming Agency, shall provide it with all documentation supporting the Tribal Gaming Agency's exclusion of the Financial Source from the licensing requirements of this section.
- (4) (A) Where the Tribal Gaming Agency elects to exclude a Financial Source from the licensing requirements of this section, that Financial Source need not apply to the State Gaming Agency for a determination of suitability if:
 - (i) It is a Financial Source specified in subdivision (e)(1)(A); or
 - (ii) It is a Financial Source specified in paragraph (2) or (3) of subdivision (f) of the Commission's Uniform Tribal Gaming Regulation CGCC-2, which falls within the description of subdivision (e)(1)(B), and the Commission has by resolution found that the interest of the State does not require an application for a determination of suitability to be made by such Financial Source prior to the

extension of financing covered by subdivision (e)(1)(B).

- (B) Notwithstanding subdivision (e)(4)(A), the State Gaming Agency continues to have the right to find the Financial Source unsuitable, and if the State Gaming Agency finds that an investigation of any Financial Source is warranted, the Financial Source shall be required to submit an application for a determination of suitability to the State Gaming Agency and shall pay the costs and charges incurred in the investigation and processing of the application, in accordance with the provisions set forth in California Business and Professions Code sections 19867 and 19951.
- (5) In the event that any Financial Source excluded from the licensing requirements of this section is found unsuitable by the State Gaming Agency, the Tribe must not enter into, or continue to make payments (except for payment of all bona fide obligations which remain unpaid as of the date of the finding of unsuitability) to the Financial Source pursuant to, any contract or agreement for the provision of financing.
- (6) The following are not Financial Sources for purposes of this section.
 - (A) An entity identified by the Commission's Uniform Tribal Gaming Regulation CGCC-2, subdivision (h) (as in effect on the date the parties execute this Compact);
 - (B) A person or entity whose sole connection with a provision or extension of financing to the Tribe is to provide loan brokerage or debt servicing for a Financial Source at no cost to the Tribe or the Gaming Operation, provided that no portion of any financing provided is an extension of credit to the Tribe or the Gaming Operation by that person or entity; or
 - (C) A person or entity that the State Gaming Agency has determined does not require licensure pursuant to any

process the State Gaming Agency deems necessary due to the nature of financing services provided, the existence of current and effective federal or state agency oversight or licensure, attenuated interests of the person or entity as passive investors without the ability to exert significant influence over the Gaming Operation, or other grounds which the State Gaming Agency determines appropriate, subject to its responsibilities under state law that alleviate the need for licensure.

- (f) In recognition of changing financial circumstances, this section shall be subject to good faith renegotiation by both parties in or after five (5) years from the effective date of this Compact upon the request of either party; provided such renegotiation shall not retroactively affect transactions that have already taken place where the Financial Source has been excluded or exempted from licensing requirements.

Sec. 6.4.6. Processing Tribal Gaming License Applications.

- (a) Each Applicant for a tribal gaming license shall submit the completed application along with the required information and an application fee, if required, to the Tribal Gaming Agency in accordance with the rules and regulations of that agency.
- (b) At a minimum, the Tribal Gaming Agency shall require submission and consideration of all information required under IGRA, including part 556.4 of title 25 of the Code of Federal Regulations, for licensing primary management officials and key employees.
- (c) For Applicants that are business entities, these licensing provisions shall apply to the entity as well as: (i) each of its officers, limited liability members and directors; (ii) each of its principal management employees, including any chief executive officer, chief financial officer, chief operating officer, and general manager; (iii) each of its owners or partners, if an unincorporated business; (iv) each of its shareholders who owns more than ten percent (10%) of the shares of the corporation, if a corporation, or who has a direct controlling interest in the Applicant; and (v) each person or entity (other than a Financial Source that the Tribal Gaming Agency has determined does not require a license under section 6.4.5) that, alone or in combination

with others, has provided financing in connection with any Gaming Operation or Class III Gaming authorized under this Compact, if that person or entity provided more than ten percent (10%) of either the start-up capital or the operating capital, or of a combination thereof, over a twelve (12)-month period. For purposes of this subdivision, where there is any commonality of the characteristics identified in this section 6.4.6, subdivision (c)(i) through (c)(v), inclusive, between any two (2) or more entities, those entities may be deemed to be a single entity. For purposes of this subdivision, a direct controlling interest in the Applicant referred to in subdivision (c)(iv) excludes any passive investor or anyone who has an indirect or only a financial interest and does not have the ability to control, manage, or direct the management decisions of the Applicant.

- (d) Nothing herein precludes the Tribe or Tribal Gaming Agency from requiring more stringent licensing requirements.

Sec. 6.4.7. Suitability Standard Regarding Gaming Licenses.

- (a) In reviewing an application for a tribal gaming license, and in addition to any standards set forth in the Gaming Ordinance, the Tribal Gaming Agency shall consider whether issuance of the license is inimical to public health, safety, or welfare, and whether issuance of the license will undermine public trust that the Tribe's Gaming Operation is free from criminal and dishonest elements and would be conducted honestly.
- (b) A license may not be issued unless, based on all information and documents submitted, the Tribal Gaming Agency is satisfied that the Applicant, and in the case of an entity, each individual identified in section 6.4.6, meets all the following requirements:
 - (1) The person is of good character, honesty, and integrity;
 - (2) The person's prior activities, criminal record (if any), reputation, habits, and associations do not pose a threat to the public interest or to the effective regulation and control of gaming, or create or enhance the dangers of unsuitable, unfair, or illegal practices, methods, or activities in the conduct of

gaming, or in the carrying on of business and financial arrangements incidental thereto; and

- (3) The person is in all other respects qualified to be licensed as provided, and meets the criteria established in this Compact, IGRA, NIGC regulations, the Gaming Ordinance, and any other criteria adopted by the Tribal Gaming Agency or the Tribe; provided, however, an Applicant shall not be found to be unsuitable solely on the ground that the Applicant was an employee of a tribal gaming operation in California that was conducted prior to May 16, 2000.

Sec. 6.4.8. Background Investigations of Applicants.

- (a) The Tribal Gaming Agency shall conduct or cause to be conducted all necessary background investigations reasonably required to determine that the Applicant is qualified for a gaming license under the standards set forth in section 6.4.7, and to fulfill all applicable requirements for licensing under IGRA, NIGC regulations, the Gaming Ordinance, and this Compact. The Tribal Gaming Agency shall not issue a gaming license, other than a temporary license pursuant to section 6.4.9, until a determination is made that those qualifications have been met.
- (b) In lieu of completing its own background investigation, and to the extent that doing so does not conflict with or violate IGRA or the Gaming Ordinance, the Tribal Gaming Agency may contract with the State Gaming Agency for the conduct of background investigations, may rely on a State determination of suitability previously issued under a Class III Gaming compact involving another tribe and the State, or may rely on a State Gaming Agency license previously issued to the Applicant, to fulfill some or all of the Tribal Gaming Agency's background investigation obligations.
- (c) An Applicant for a tribal gaming license shall be required to provide releases to the State Gaming Agency to make available to the Tribal Gaming Agency background information regarding the Applicant. The State Gaming Agency shall cooperate in furnishing to the Tribal Gaming Agency that information, unless doing so would violate state or federal law, would violate any agreement the State Gaming Agency

has with a source of the information other than the Applicant, or would impair or impede a criminal investigation, or unless the Tribal Gaming Agency cannot provide sufficient safeguards to assure the State Gaming Agency that the information will remain confidential.

- (d) In lieu of obtaining summary criminal history information from the NIGC, the Tribal Gaming Agency may, pursuant to the provisions in subdivisions (d) through (i), obtain such information from the California Department of Justice. If the Tribe adopts an ordinance confirming that article 6 (commencing with section 11140) of chapter 1 of title 1 of part 4 of the California Penal Code is applicable to members, investigators, and staff of the Tribal Gaming Agency, and those members, investigators, and staff thereafter comply with that ordinance, then, for purposes of carrying out its obligations under this section, the Tribal Gaming Agency shall be eligible to be considered an entity entitled to request and receive state summary criminal history information, within the meaning of subdivision (b)(13) of section 11105 of the California Penal Code.
- (e) The information received shall be used by the requesting agency solely for the purpose for which it was requested and shall not be reproduced for secondary dissemination to any other employment or licensing agency. The unauthorized access and misuse of criminal offender record information may affect an individual's civil rights. Additionally, any person intentionally disclosing information obtained from personal or confidential records maintained by a state agency or from records within a system of records maintained by a government agency may be subject to prosecution.
- (f) The Tribal Gaming Agency shall submit to the California Department of Justice fingerprint images and related information required by the California Department of Justice of all Gaming Employees, as defined by section 2.11, for the purposes of obtaining information as to the existence and content of a record of state or federal convictions and state or federal arrests and also information as to the existence and content of a record of state or federal arrests for which the Department of Justice establishes that the person is free on bail or on his or her recognizance pending trial or appeal.

- (g) When received, the California Department of Justice shall forward to the Federal Bureau of Investigation requests for federal summary criminal history information received pursuant to this section. The California Department of Justice shall review the information returned from the Federal Bureau of Investigation and compile and disseminate a response to the Tribal Gaming Agency.
- (h) The California Department of Justice shall provide a state or federal level response to the Tribal Gaming Agency pursuant to Penal Code section 11105, subdivision (p)(1).
- (i) The Tribal Gaming Agency shall request from the California Department of Justice subsequent notification service, as provided pursuant to section 11105.2 of the Penal Code, for persons described in subdivision (f) above.

Sec. 6.4.9. Temporary Licensing of Gaming Employees.

- (a) If an Applicant has completed a license application in a manner satisfactory to the Tribal Gaming Agency, and that agency has conducted a preliminary background investigation, and the investigation or other information held by that agency does not indicate that the Applicant has a criminal history or other information in his or her background that would either automatically disqualify the Applicant from obtaining a tribal gaming license or cause a reasonable person to investigate further before issuing a license, or that the Applicant is otherwise unsuitable for licensing, the Tribal Gaming Agency may issue a temporary tribal gaming license and may impose such specific conditions thereon pending completion of the Applicant's background investigation, as the Tribal Gaming Agency in its sole discretion shall determine.
- (b) Special fees may be required by the Tribal Gaming Agency to issue or maintain a temporary tribal gaming license.
- (c) A temporary tribal gaming license shall remain in effect until suspended or revoked, or a final determination is made on the application, or for a period of up to one (1) year, whichever comes first.

- (d) At any time after issuance of a temporary tribal gaming license, the Tribal Gaming Agency shall or may, as the case may be, suspend or revoke it in accordance with the provisions of sections 6.5.1 or 6.5.5, and the State Gaming Agency may request suspension or revocation before making a determination of unsuitability.
- (e) Nothing herein shall be construed to relieve the Tribe of any obligation under part 558 of title 25 of the Code of Federal Regulations.

Sec. 6.5.0. Tribal Gaming License Issuance.

Upon completion of the necessary background investigation, the Tribal Gaming Agency may issue a tribal gaming license on a conditional or unconditional basis. Nothing herein shall create a property or other right of an Applicant in an opportunity to be licensed, or in a tribal gaming license itself, both of which shall be considered to be privileges granted to the Applicant in the sole discretion of the Tribal Gaming Agency.

Sec. 6.5.1. Denial, Suspension, or Revocation of Licenses.

- (a) Any Applicant's application for a tribal gaming license may be denied, and any license issued may be revoked, if the Tribal Gaming Agency determines that the application is incomplete or deficient, or if the Applicant is determined to be unsuitable or otherwise unqualified for a tribal gaming license.
- (b) Pending consideration of revocation, the Tribal Gaming Agency may suspend a tribal gaming license in accordance with section 6.5.5.
- (c) All rights to notice and hearing shall be governed by tribal law and shall provide procedural due process by, at a minimum, providing the employee with notice reasonably calculated to apprise the employee of the pendency of the determination, an opportunity to review materials upon which the charge is based in such a manner that does not compromise security or regulation of the Gaming Operation, and an opportunity to be heard. The Applicant shall be notified in writing of the hearing and given notice of any intent to suspend or revoke the tribal gaming license.

- (d) Notwithstanding anything to the contrary herein, upon receipt of notice that the State Gaming Agency has determined that a person would be unsuitable for licensure in a gambling establishment subject to the jurisdiction of the State Gaming Agency, the Tribal Gaming Agency shall deny that person a tribal gaming license and promptly, and in no event more than thirty (30) days from the State Gaming Agency notification, revoke any tribal gaming license that has theretofore been issued to that person; provided that the Tribal Gaming Agency may, in its discretion, reissue a tribal gaming license to the person following entry of a final judgment reversing the determination of the State Gaming Agency in a proceeding in state court between the Applicant and the State Gaming Agency conducted pursuant to section 1085 of the California Code of Civil Procedure.

Sec. 6.5.2. Renewal of Licenses; Extensions; Further Investigation.

- (a) Except as provided in section 6.4.4, subdivision (c), the term of a tribal gaming license shall not exceed two (2) years, and application for renewal of a license must be made prior to its expiration. Applicants for renewal of a license shall provide updated material, as requested, on the appropriate renewal forms, but, at the discretion of the Tribal Gaming Agency, may not be required to resubmit historical data previously submitted or which is otherwise available to the Tribal Gaming Agency. At the discretion of the Tribal Gaming Agency, an additional background investigation may be required at any time if the Tribal Gaming Agency determines the need for further information concerning the Applicant's continuing suitability or eligibility for a license.
- (b) Prior to renewing a license, the Tribal Gaming Agency shall deliver to the State Gaming Agency copies of all information and documents received in connection with the application for renewal of the tribal gaming license, which is not otherwise prohibited or restricted from disclosure under applicable federal law or regulation, for purposes of the State Gaming Agency's consideration of renewal of its determination of suitability.
- (c) At the discretion of the State Gaming Agency, an additional background investigation may be required if the State Gaming Agency

determines the need for further information concerning the Applicant's continuing suitability for a license.

Sec. 6.5.3. Identification Cards.

- (a) The Tribal Gaming Agency shall require that all persons who are required to be licensed wear, in plain view at chest height at all times while in the Gaming Facility, identification badges issued by the Tribal Gaming Agency. The Tribal Gaming Agency may allow temporary exceptions to this provision for the purposes of authorizing investigators who are actively investigating a matter within the Gaming Facility to monitor Gaming Activities.
- (b) Identification badges must display information, including, but not limited to, a photograph and the person's name, which is adequate to enable members of the public and agents of the Tribal Gaming Agency to readily identify the person and determine the validity and date of expiration of his or her license.
- (c) Upon request, the Tribe shall provide the State Gaming Agency with the name, badge identification number (if any), and job title of all Gaming Employees.

Sec. 6.5.4. Fees for Tribal Gaming License.

The fees for all tribal gaming licenses shall be set by the Tribal Gaming Agency.

Sec. 6.5.5. Suspension of Tribal Gaming License.

The Tribal Gaming Agency shall summarily suspend the tribal gaming license of any employee if the Tribal Gaming Agency determines that the continued licensing of the person could constitute a threat to the public health or safety or may summarily suspend the license of any employee if the Tribal Gaming Agency determines that the continued licensing of the person may violate the Tribal Gaming Agency's licensing or other standards. Any right to notice or hearing in regard thereto shall be governed by tribal law and provide procedural due process by, at a minimum, providing the employee with notice reasonably calculated to apprise the employee of the pendency of a final determination, an opportunity to review materials upon which the charge is based in such a manner

that does not compromise security or regulation of the Gaming Operation, and an opportunity to be heard. The employee shall be notified in writing of the hearing and given notice of any intent to suspend or revoke the employee's tribal gaming license.

Sec. 6.5.6. State Determination of Suitability Process.

- (a) With respect to Gaming Employees, upon receipt of an Applicant's completed license application and a determination to issue either a temporary or regular license, the Tribal Gaming Agency shall transmit within thirty (30) days to the State Gaming Agency for a determination of suitability for licensure under the California Gambling Control Act a notice of intent to license the Applicant, together with all of the following:
 - (1) A copy of all tribal license application materials and information received by the Tribal Gaming Agency from the Applicant which is not otherwise prohibited or restricted from disclosure under applicable federal law or regulation;
 - (2) A complete set of fingerprint impressions, rolled by a certified fingerprint roller, transmitted electronically;
 - (3) A current photograph; and
 - (4) Except to the extent waived by the State Gaming Agency, such releases of information, waivers, and other completed and executed forms as have been obtained by the Tribal Gaming Agency.
- (b) Upon receipt of a written request from a Gaming Resource Supplier or a Financial Source for a determination of suitability, the State Gaming Agency shall transmit an application package to the Applicant to be completed and returned to the State Gaming Agency for purposes of allowing it to make a determination of suitability for licensure.
- (c) Investigation and disposition of applications for a determination of suitability shall be governed entirely by State law, and the State Gaming Agency shall determine whether the Applicant would be found suitable for licensure in a gambling establishment subject to the

State Gaming Agency's jurisdiction. Additional information may be required by the State Gaming Agency to assist it in its background investigation, to the extent permitted under State law for licensure in a gambling establishment subject to the State Gaming Agency's jurisdiction.

- (d) The Tribal Gaming Agency shall require a licensee to apply for renewal of a determination of suitability by the State Gaming Agency at such time as the licensee applies for renewal of a tribal gaming license.
- (e) Upon receipt of completed license or license renewal application information from the Tribal Gaming Agency, the State Gaming Agency may conduct a background investigation pursuant to state law to determine whether the Applicant is suitable to be licensed for association with Class III Gaming operations. While the Tribal Gaming Agency shall ordinarily be the primary source of application information, the State Gaming Agency is authorized to directly seek application information from the Applicant. The Tribal Gaming Agency shall provide to the State Gaming Agency reports of the background investigations conducted by the Tribal Gaming Agency and the NIGC and related applications, if any, for Gaming Employees, Gaming Resource Suppliers, and Financial Sources. If further investigation is required to supplement the investigation conducted by the Tribal Gaming Agency, the Applicant will be required to pay the application fee charged by the State Gaming Agency pursuant to California Business and Professions Code section 19951, subdivision (a), but any deposit requested by the State Gaming Agency pursuant to section 19867 of that Code shall take into account reports of the background investigation already conducted by the Tribal Gaming Agency and the NIGC, if any. Failure to provide information reasonably required by the State Gaming Agency to complete its investigation under State law or failure to pay the application fee or deposit can constitute grounds for denial of the application by the State Gaming Agency. The State Gaming Agency and Tribal Gaming Agency shall cooperate in sharing as much background information as possible, both to maximize investigative efficiency and thoroughness, and to minimize investigative costs.

- (f) Upon completion of the necessary background investigation or other verification of suitability, the State Gaming Agency shall issue a notice to the Tribal Gaming Agency certifying that the State has determined that the Applicant is suitable, or that the Applicant is unsuitable, for licensure in a Gaming Operation and, if unsuitable, stating the reasons therefore. Issuance of a determination of suitability does not preclude the State Gaming Agency from a subsequent determination based on newly discovered information that a person or entity is unsuitable for the purpose for which the person or entity is licensed. Upon receipt of notice that the State Gaming Agency has determined that a person or entity is or would be unsuitable for licensure, the Tribal Gaming Agency shall deny that person or entity a license and promptly, and in no event more than thirty (30) days from the issuance of the State Gaming Agency notification, revoke any tribal gaming license that has theretofore been issued to that person or entity; provided that the Tribal Gaming Agency may, in its discretion, reissue a tribal gaming license to the person or entity following entry of a final judgment reversing the determination of the State Gaming Agency in a proceeding in state court between the Applicant and the State Gaming Agency conducted pursuant to section 1085 of the California Code of Civil Procedure.
- (g) Prior to denying an application for a determination of suitability, or to issuing notice to the Tribal Gaming Agency that a person or entity previously determined to be suitable had been determined unsuitable for licensure, the State Gaming Agency shall notify the Tribal Gaming Agency and afford the Tribe an opportunity to be heard. If the State Gaming Agency denies an application for a determination of suitability, or issues notice that a person or entity previously determined suitable has been determined unsuitable for licensure, the State Gaming Agency shall provide that person or entity with written notice of all appeal rights available under state law.
- (h) The Commission, or its successor, shall maintain a roster of Gaming Resource Suppliers and Financial Sources that it has determined to be suitable pursuant to the provisions of this section, or through separate procedures to be adopted by the Commission. Upon application to the Tribal Gaming Agency for a tribal gaming license, a Gaming Resource Supplier or Financial Source that appears on the Commission's suitability roster may be licensed by the Tribal Gaming

Agency in the same manner as a Gaming Resource Supplier under subdivision (d) of section 6.4.4, subject to any later determination by the State Gaming Agency that the Gaming Resource Supplier or Financial Source is not suitable or to a tribal gaming license suspension or revocation pursuant to section 6.5.1; provided that nothing in this subdivision exempts the Gaming Resource Supplier or Financial Source from applying for a renewal of a State determination of suitability.

Sec. 6.6. Submission of New Application.

- (c) The Tribal Gaming Agency shall report violations of this Compact that pose a substantial threat to gaming integrity, public health and safety, or the environment, or continued violations that, if isolated might not require reporting, but cumulatively pose a threat to gaming integrity, public health and safety, or the environment, and any failures to comply with the Tribal Gaming Agency's orders to the Commission and the Bureau of Gambling Control in the California Department of Justice within ten (10) days of discovery.

An electronic version of the requested papers, books, and records may be submitted to the State Gaming Agency in lieu of a paper copy so long as the software required to access the electronic version is reasonably available to the State Gaming Agency and the State Gaming Agency does not object.
- (c) Notwithstanding any other provision of California law, any confidential information and records, as defined in subdivision (d), that the State Gaming Agency obtains or copies pursuant to this Compact shall be, and remain, the property solely of the Tribe; provided that such confidential information and records and copies may be retained by the State Gaming Agency as is reasonably necessary to assure the Tribe's compliance with this Compact or to complete any investigation of suspected criminal activity; and provided further that the State Gaming Agency, upon advance notice to the Tribe when it will not interfere with the investigation, may provide such confidential information and records and copies to federal law enforcement and other state agencies or consultants that the State deems reasonably necessary in order to assure the Tribe's compliance with this Compact, in order to renegotiate any provision thereof, or in order to conduct or complete any investigation of suspected criminal activity in connection with the Gaming Activities or the operation of the Gaming Facility or the Gaming Operation.
- (d) For purposes of this section 8.4, "confidential information and records" means any and all information and documents received from the Tribe pursuant to the Compact, except for information and documents that are part of the public domain.

The State Gaming Agency and all other state agencies and consultants may disclose confidential information or records as necessary to fully adjudicate or resolve a dispute arising pursuant to the Compact, in which case the State Gaming Agency and all other state agencies and consultants agree to preserve confidentiality to the greatest extent feasible and available. Before the State Gaming Agency provides confidential information and records to a consultant as authorized under subdivision (c), it shall enter into a confidentiality agreement with that consultant that meets the standards of this subdivision.
- (f) The Tribe may avail itself of any and all remedies under State law for the improper disclosure of confidential information and records. The Tribal Gaming Agency shall promulgate regulations governing patron disputes over the play or operation of any game, including any refusal to pay to a patron any alleged winnings from any Gaming Activities, which regulations must meet the following minimum standards:

- (a) A patron who makes an oral or written complaint to personnel of the Gaming Operation over the play or operation of any game within three (3) days of the play or operation at issue shall be notified in writing of the patron's right to request in writing, within fifteen (15) days of the Gaming Operation's written notification to the patron of that right, resolution of the dispute by the Tribal Gaming Agency, and if dissatisfied with the resolution, to seek resolution in either the Tribe's tribal court system or through binding arbitration of the dispute before a retired judge pursuant to the terms and provisions in subdivision (c). If the patron is not provided with the aforesaid notification within thirty (30) days of the patron's complaint, the deadlines herein shall be removed, leaving only the relevant statutes of limitations under California law that would otherwise apply.
- (b) Upon receipt of the patron's written request for a resolution of the patron's complaint pursuant to subdivision (a), the Tribal Gaming Agency shall conduct an appropriate investigation, shall provide to the patron a copy of its regulations concerning patron complaints, and shall render a decision in accordance with industry practice. The decision shall be issued within sixty (60) days of the patron's request, shall be in writing, shall be based on the facts surrounding the dispute, and shall set forth the reasons for the decision.

- (c) If the patron is dissatisfied with the decision of the Tribal Gaming Agency issued pursuant to subdivision (b), or no decision is issued within the sixty (60)-day period, the dispute shall be settled in the Tribe's tribal court system, or in the event there is no available tribal court system, by binding arbitration before a JAMS arbitrator, in accordance with the Streamlined Arbitration Rules and Procedures of JAMS (or if those rules no longer exist, the closest equivalent) (hereafter "JAMS Streamlined Arbitration"). Resolution of the patron dispute before the tribal court system shall be at no cost to the patron (excluding patron's attorney's fees). The cost and expenses of the JAMS Streamlined Arbitration shall be initially borne equally by the Tribe and the patron (for purposes of this section, the "parties") and both parties shall pay their share of the arbitration costs at the time of election of the arbitration option, but the arbitrator may award to the prevailing party its costs and expenses (but not attorney fees).
- (d) Upon a dispute being heard pursuant to subdivision (c), the Tribe and its Gaming Operation shall consent to tribal court adjudication or, if applicable, JAMS Streamlined Arbitration of the matter, and agree to abide by the decision of the tribal court or JAMS arbitrator; provided, however, that if any alleged winnings are found to be a result of a mechanical, electronic or electromechanical failure and not due to the intentional acts or gross negligence of the Gaming Operation or its agents, the tribal court or JAMS arbitrator shall deny the patron's claim for the winnings but shall award reimbursement of the amount wagered by the patron which was lost as a result of any said failure.
- (e) Any party dissatisfied with the award of the tribal court or JAMS arbitrator issued pursuant to subdivision (c), may appeal the award to the Tribe's appellate court; provided that in the event there is none, the party may invoke the JAMS Optional Arbitration Appeal Procedure (and if those rules no longer exist, the closest equivalent); provided further that the party making such election shall bear all costs and expenses of JAMS and the JAMS arbitrators associated with the JAMS Optional Arbitration Appeal Procedure, regardless of the outcome.
- (f) To effectuate its consent to the tribal court system or JAMS Streamlined Arbitration and JAMS Optional Arbitration Appeal

Procedure in this section 10.0, the Tribe shall, in the exercise of its sovereignty, waive its right to assert sovereign immunity in connection with the tribal court jurisdiction or JAMS arbitrator's jurisdiction and in any action, for the sole and limited purposes, to (i) enforce the Tribe's or the patron's obligation to arbitrate, (ii) confirm, correct, modify, or vacate the tribal court award or the arbitral award rendered in the arbitration, or (iii) enforce or execute a judgment based upon the award.

SECTION 11.0. OFF-RESERVATION ENVIRONMENTAL AND ECONOMIC IMPACTS.

Sec. 11.1. Tribal Environmental Impact Report.

- (a) Before the commencement of any Project as defined in section 2.22, the Tribe shall cause to be prepared a comprehensive and adequate tribal environmental impact report (TEIR) in compliance with this section 11.0 analyzing the potentially significant off-reservation environmental impacts of the Project pursuant to the process set forth in this section 11.0; provided, however, that information or data that is relevant to the TEIR and is a matter of public record or is generally available to the public need not be repeated in its entirety in the TEIR, but may be specifically cited as the source for conclusions stated therein; and provided further that such information or data shall be briefly described, that its relationship to the TEIR shall be indicated, and that the source thereof shall be reasonably available for inspection at a public place or public building. The TEIR shall provide detailed information about the Significant Effect(s) on the Environment that the Project is likely to have, including each of the matters set forth in Appendix A, shall list ways in which the Significant Effects on the Environment might be minimized, and shall include a detailed statement setting forth all of the following:
 - (1) A description of the physical environmental conditions in the vicinity of the Project (the environmental setting and existing baseline conditions), as they exist at the time the notice of preparation is issued;
 - (2) All Significant Effects on the Environment of the proposed Project;

- (3) In a separate section:
 - (A) Any Significant Effect on the Environment that cannot be avoided if the Project is implemented; and
 - (B) Any Significant Effect on the Environment that would be irreversible if the Project is implemented;
 - (4) Mitigation measures proposed to minimize Significant Effects on the Environment, including, but not limited to, measures to reduce the wasteful, inefficient, and unnecessary consumption of energy;
 - (5) Alternatives to the Project; provided that the Tribe need not address alternatives that would cause it to forgo its right to engage in the Gaming Activities authorized by this Compact on its Indian lands;
 - (6) Whether any proposed mitigation would be feasible;
 - (7) Any direct growth-inducing impacts of the Project; and
 - (8) Whether the proposed mitigation would be effective to substantially reduce the potential Significant Effects on the Environment.
- (b) In addition to the information required pursuant to subdivision (a), the TEIR shall also contain a statement indicating the reasons for determining that various effects of the Project on the off-reservation environment are not significant and consequently have not been discussed in detail in the TEIR. In the TEIR, the direct and indirect Significant Effects on the Environment, including each of the items in Appendix A, shall be clearly identified and described, giving due consideration to both the short-term and long-term effects. The discussion of mitigation measures shall describe feasible measures that could minimize significant adverse effects, and shall distinguish between the measures that are proposed by the Tribe and other measures proposed by others. Where several measures are available to mitigate an effect, each should be discussed and the basis for

selecting a particular measure should be identified. Formulation of mitigation measures should not be deferred until some future time. The TEIR shall also describe a range of reasonable alternatives to the Project or to the location of the Project, which would feasibly attain most of the basic objectives of the Project and which would avoid or substantially lessen any of the Significant Effects on the Environment, and evaluate the comparative merits of the alternatives; provided that the Tribe need not address alternatives that would cause it to forgo its right to engage in the Gaming Activities authorized by this Compact on its Indian lands. The TEIR must include sufficient information about each alternative to allow meaningful evaluation, analysis, and comparison. The TEIR shall also contain an index or table of contents and a summary, which shall identify each Significant Effect on the Environment with proposed measures and alternatives that would reduce or avoid that effect, and issues to be resolved, including the choice among alternatives and whether and how to mitigate the Significant Effects on the Environment. Previously approved land use documents, including, but not limited to, general plans, specific plans, and local coastal plans, may be used in the cumulative impact analysis.

Sec. 11.2. Notice of Preparation of Draft TEIR.

- (a) Upon commencing the preparation of the draft TEIR, the Tribe shall issue a Notice of Preparation to the State Clearinghouse in the State Office of Planning and Research (State Clearinghouse) and to the County for distribution to the public. The Tribe shall also post the Notice of Preparation on its website. The Notice of Preparation shall provide all Interested Persons, as defined in section 2.19, with information describing the Project and its potential Significant Effects on the Environment sufficient to enable Interested Persons to make a meaningful response or comment. At a minimum, the Notice of Preparation shall include all of the following information:
 - (1) A description of the Project;
 - (2) The location of the Project shown on a detailed map, preferably topographical, and on a regional map; and

- (3) The probable off-reservation environmental effects of the Project.
- (b) The Notice of Preparation shall also inform Interested Persons of the preparation of the draft TEIR and shall inform them of the opportunity to provide comments to the Tribe within thirty (30) days of the date of the receipt of the Notice of Preparation by the State Clearinghouse and the County. The Notice of Preparation shall also request Interested Persons to identify in their comments the off-reservation environmental issues and reasonable mitigation measures that the Tribe will need to have explored in the draft TEIR.

Sec. 11.3. Notice of Completion of Draft TEIR.

- (a) Within no less than thirty (30) days following the receipt of the Notice of Preparation by the State Clearinghouse and the County, the Tribe shall file a copy of the draft TEIR and a Notice of Completion with the State Clearinghouse, the State Gaming Agency, the County, and the California Department of Justice, Office of the Attorney General. The Tribe shall also post the Notice of Completion and a copy of the draft TEIR on its website. The Notice of Completion shall include all of the following information:
 - (1) A brief description of the Project;
 - (2) The proposed location of the Project;
 - (3) An address where copies of the draft TEIR are available; and
 - (4) Notice of a period of forty-five (45) days during which the Tribe will receive comments on the draft TEIR.
- (b) The Tribe will submit ten (10) copies each of the draft TEIR and the Notice of Completion to the County, which will be asked to post public notice of the draft TEIR at the office of the County Board of Supervisors and to furnish the public notice to the public libraries serving the County. The County shall also be asked to serve in a timely manner the Notice of Completion to all Interested Persons, which Interested Persons shall be identified by the Tribe for the County, to the extent it can identify them. In addition, the Tribe will

provide public notice by at least one (1) of the procedures specified below:

- (1) Publication at least one (1) time by the Tribe in a newspaper of general circulation in the area affected by the Project. If more than one (1) area is affected, the notice shall be published in the newspaper of largest circulation from among the newspapers of general circulation in those areas; or
- (2) Direct mailing by the Tribe to the owners and occupants of property adjacent to, but outside, the Indian lands on which the Project is to be located. Owners of such property shall be identified as shown on the latest equalization assessment roll.

Sec. 11.4. Issuance of Final TEIR.

The Tribe shall prepare, certify and make available to the County, the State Clearinghouse, the State Gaming Agency, and the California Department of Justice, Office of the Attorney General, at least fifty-five (55) days before the completion of negotiations pursuant to section 11.7 a Final TEIR, which shall consist of:

- (a) The draft TEIR or a revision of the draft;
- (b) Comments and recommendations received on the draft TEIR either verbatim or in summary;
- (c) A list of persons, organizations, and public agencies commenting on the draft TEIR;
- (d) The responses of the Tribe to significant environmental points raised in the review and consultation process, which shall include good faith, reasoned analyses, and which may be organized by category or topic; and
- (e) Any other information added by the Tribe.

Sec. 11.5. Cost Reimbursement to County.

The Tribe shall reimburse the County for reasonable copying and mailing costs resulting from making the Notice of Preparation, Notice of Completion, and draft TEIR available to the public under this section 11.0.

Sec. 11.6. Failure to Prepare Adequate TEIR.

The Tribe's failure to prepare an adequate TEIR when required shall be deemed a breach of this Compact and furthermore shall be grounds for issuance of an injunction or other appropriate equitable relief.

Sec. 11.7. Intergovernmental Agreement.

- (a) Before the commencement of a Project, and no later than the issuance of the Final TEIR to the County, the Tribe shall offer to commence negotiations with the County, and upon the County's acceptance of the Tribe's offer, shall negotiate with the County and shall enter into an enforceable written agreement (hereinafter "intergovernmental agreement") with the County with respect to the matters set forth below:
 - (1) The timely mitigation of any Significant Effect on the Off-Reservation Environment (which effects may include, but are not limited to, aesthetics, agricultural resources, air quality, biological resources, cultural resources, geology and soils, hazards and hazardous materials, water resources, land use, mineral resources, traffic, noise, utilities and service systems, and cumulative effects), where such effect is attributable, in whole or in part, to the Project unless the parties agree that the particular mitigation is infeasible, taking into account economic, environmental, social, technological, or other considerations.
 - (2) Reasonable compensation for law enforcement, fire protection, emergency medical services and any other public services to be directly provided by the County to the Tribe for the purposes of the Gaming Operation, including the Gaming Facility, as a consequence of the Project.

- (3) Mitigation of any direct effect on public safety attributable to the Project, including any compensation to the County as a consequence thereof, to the extent such effects are not mitigated pursuant to subdivision (a)(2) above.
- (b) The Tribe shall not commence a Project until the intergovernmental agreement specified in subdivision (a) is executed by the parties or is effectuated pursuant to section 11.8.
- (c) If the Final TEIR identifies significant traffic impacts to the state highway system or facilities that are directly attributable in whole or in part to the Project, then before the commencement of the Project, the Tribe shall consult with the California Department of Transportation (Caltrans) to propose language to be included in an intergovernmental agreement with the County that provides for timely and feasible mitigation of the significant traffic impacts on the state highway system and facilities directly attributable to the Project, and payment of the Tribe's fair share of cumulative traffic impacts attributable in whole or in part to the Project. The final language addressing the significant traffic impacts to the state highway system or facilities that is intended to be included in an intergovernmental agreement with the County shall be provided to Caltrans, and if Caltrans disagrees with the final language, Caltrans shall express its objections in writing. If Caltrans, the Tribe, and the County cannot agree on language that resolves Caltrans' objections, then the Tribe and Caltrans shall negotiate and conclude, prior to commencement of the Project, an intergovernmental agreement that mitigates the significant traffic impacts to the state highway system or facilities directly attributable to the Tribe's Project and provides for payment of the Tribe's fair share of cumulative traffic impacts, or alternatively, that provides Caltrans funding for the mitigation of such impacts. If the Tribe and Caltrans are unable to complete an intergovernmental agreement addressing significant traffic impacts to the state highway system or facilities directly attributable to the Tribe's Project, and both parties are not satisfied that those issues are effectively addressed in the Tribe's intergovernmental agreement with the County, whether through negotiations or effectuated pursuant to section 11.8, then the matter will be resolved through the dispute resolution provisions in section 13.0. Nothing herein prevents the Tribe and Caltrans from agreeing to negotiate a separate intergovernmental agreement to

address the significant impacts to the state highway system or facilities that are directly attributable in whole or in part to the Project.

- (d) Nothing in this section 11.7 requires the Tribe to enter into any other intergovernmental agreement with a local governmental entity other than as set forth in subdivision (a).

Sec. 11.8. Arbitration.

To foster good government-to-government relationships and to assure that the Tribe is not unreasonably prevented from commencing a Project and benefiting therefrom, if an intergovernmental agreement with the County is not entered within fifty-five (55) days of the submission of the Final TEIR, or such further time as the Tribe and the County (for purposes of this section the “parties”) may agree in writing, either party may demand binding arbitration before a JAMS arbitrator pursuant to JAMS Comprehensive Arbitration with respect to any remaining disputes arising from, connected with, or related to the negotiation:

- (a) The arbitration shall be conducted as follows: Each party shall exchange with the other within five (5) days of the demand for arbitration its last, best written offer made during the negotiation pursuant to section 11.7. The arbitrator shall schedule a hearing to be heard within thirty (30) days of his or her appointment unless the parties agree to a longer period. The arbitrator shall be limited to awarding only one (1) of the two (2) offers submitted, without modification, based upon that proposal which best provides feasible mitigation of Significant Effects on the Environment and on public safety and most reasonably compensates for public services attributed to the Project pursuant to section 11.7, without unduly interfering with the principal objectives of the Project or imposing environmental mitigation measures that are different in nature or scale from the type of measures that have been required to mitigate impacts of a similar scale of other projects in the surrounding area, to the extent there are such other projects. The arbitrator shall take into consideration whether the Final TEIR provides the data and information necessary to enable the County to determine both whether the Project may result in a Significant Effect on the Environment and whether the proposed measures in mitigation are sufficient to mitigate any such effect. If the respondent does not participate in the arbitration, the arbitrator shall nonetheless conduct the arbitration and issue an award, and the

claimant shall submit such evidence as the arbitrator may require therefore. Review of the resulting arbitration award is waived.

- (b) To effectuate this section 11.8, and in the exercise of its sovereignty, the Tribe agrees to expressly waive, and to waive its right to assert, sovereign immunity in connection with the arbitrator's jurisdiction and in any action to (i) enforce the other party's obligation to arbitrate, (ii) enforce or confirm any arbitral award rendered in the arbitration, or (iii) enforce or execute a judgment based upon the award.
- (c) The arbitral award will become part of the intergovernmental agreement with the County required under section 11.7.

SECTION 12.0. PUBLIC AND WORKPLACE HEALTH, SAFETY, AND LIABILITY.

Sec. 12.1. General Requirements.

The Tribe shall not conduct Class III Gaming in a manner that endangers the public health, safety, or welfare, provided, however, that nothing herein shall be construed to make applicable to the Tribe any State laws or regulations governing the use of tobacco.

Sec. 12.2. Tobacco Smoke.

Notwithstanding section 12.1, the Tribe agrees to provide a non-smoking area in the Gaming Facility and, consistent with the Tribe's commitment to the well-being of its employees and patrons, to incorporate ventilation, filtration, purification or other technologies throughout the Gaming Facility, where reasonable and feasible after consideration of engineering, economic and scientific factors, and further agrees not to offer or sell tobacco to anyone under twenty-one (21) years of age.

Sec. 12.3. Health and Safety Standards.

To protect the health and safety of patrons and employees of the Gaming Facility, the Tribe shall, for the Gaming Facility:

- (a) Adopt and comply with State public health standards for food and beverage handling. The Tribe will allow, during normal hours of operation, inspection of food and beverage services in the Gaming Facility by State or County health inspectors, whichever inspector would have jurisdiction but for the Gaming Facility being on Indian lands, to assess compliance with these standards, unless inspections are routinely made by an agency of the United States government to ensure compliance with equivalent standards of the United States Public Health Service. Any report subsequent to an inspection or visit by the State, County, or federal health inspectors shall be transmitted within seventy-two (72) hours to the State Gaming Agency and the Tribal Gaming Agency. This includes any document that includes a citation or finding. Nothing herein shall be construed as submission of the Tribe to the jurisdiction of those State or County health inspectors, but any violations of the standards may be the subject of dispute resolution pursuant to section 13.0.
- (b) Adopt and comply with federal water quality and safe drinking water standards applicable in California. The Tribe will allow, during normal hours of operation, inspection and testing of water quality at the Gaming Facility by State or County health inspectors, whichever inspector would have jurisdiction but for the Gaming Facility being on Indian lands, to assess compliance with these standards, unless inspections and testing are routinely made by an agency of the United States pursuant to federal law to ensure compliance with federal water quality and safe drinking water standards. Any report or other writings by the State, County, or federal health inspectors shall be transmitted within seventy-two (72) hours to the State Gaming Agency and the Tribal Gaming Agency. Nothing herein shall be construed as submission of the Tribe to the jurisdiction of those State, or County health inspectors, but any significant violations of the standards may be the subject of dispute resolution pursuant to section 13.0.
- (c) Comply with the building and safety standards set forth in section 6.4.2.
- (d) Adopt and comply with federal workplace and occupational health and safety standards. The Tribe will allow inspection of Gaming Facility workplaces by State inspectors, during normal hours of

operation, to assess compliance with these standards; provided that there is no right to inspection by State inspectors where an inspection has been conducted by an agency of the United States pursuant to federal law during the previous calendar quarter and the Tribe has provided a copy of the federal agency's report to the State Gaming Agency within ten (10) days of the federal inspection.

- (e) Adopt and comply with tribal codes consistent with the provisions of this Compact and other applicable federal law regarding public health and safety.
- (f) Adopt and comply with tribal law that is consistent with federal law and state law forbidding harassment, including sexual harassment, in the workplace, forbidding employers from discrimination in connection with the employment of persons to work or working for the Gaming Operation or in the Gaming Facility on the basis of race, color, religion, ancestry, national origin, gender, marital status, medical condition, sexual orientation, age, or disability, and forbidding employers from retaliation against persons who oppose discrimination or participate in employment discrimination proceedings (hereinafter "harassment, retaliation, or employment discrimination"); provided that nothing herein shall preclude the Tribe from giving a preference in employment to members of federally recognized Indian tribes pursuant to a duly adopted tribal ordinance.
 - (1) The Tribe shall create a tribal employment claims ordinance to address claims of harassment, retaliation, or employment discrimination arising out of a claimant's employment in, in connection with, or relating to the operation of, the Gaming Operation, Gaming Facility or Gaming Activities. Nothing in this provision shall be construed as a submission of the Tribe to the jurisdiction of the California Department of Fair Employment and Housing or the California Fair Employment and Housing Commission.
 - (2) The tribal employment claims ordinance shall be adopted by the Tribe within a reasonable time after the effective date of this Compact, to allow the Tribe sufficient time to establish the necessary standards, which shall continuously provide at least the following:

- (A) That upon notice that a claimant alleges to have suffered an injury or damage, the Tribe shall provide notice by personal service or certified mail, return receipt requested, that the claimant is required within one-hundred eighty (180) calendar days of receipt of the written notice to proceed with the claim.
 - (B) That the claimant must file his or her claim within one-hundred eighty (180) days of receipt of the written notice specified in subdivision (f)(2)(A).
 - (C) That the decision made pursuant to the tribal employment claims ordinance be a reasoned decision, rendered within one-hundred eighty (180) days from the date the claim was filed.
 - (D) That a claimant shall have one (1) year from the date that an alleged discriminatory act occurred to file a written notice with the Tribe that he or she has suffered prohibited harassment, retaliation, or employment discrimination.
 - (E) The claims brought pursuant to the tribal employment claims ordinance shall be resolved in a designated tribal administrative or judicial forum authorized under tribal law to render a final and binding decision, including adequate appellate rights, based on the presentation of evidence and argument by the parties to the claim. If the tribal administrative or judicial forum is not available or ceases to operate, claims under this subdivision (f) will be resolved pursuant to the procedures for the JAMS Streamlined Arbitration and the JAMS Optional Arbitration Appeal Procedure as provided in section 10.0.
- (g) Adopt and comply with standards that are no less stringent than State laws prohibiting a gambling enterprise from cashing any check drawn against a federal, state, county, or city fund, including but not limited to, Social Security, unemployment insurance, disability payments, or public assistance payments.

- (h) Adopt and comply with standards that are no less stringent than State laws, if any, prohibiting a gambling or other gaming enterprise from providing, allowing, contracting to provide, or arranging to provide alcoholic beverages, or food or lodging, for no charge or at reduced prices at a gambling establishment or lodging facility as an incentive or enticement.
- (i) Adopt and comply with standards that are no less stringent than State laws, if any, prohibiting extensions of credit.
- (j) Comply with provisions of the Bank Secrecy Act, P.L. 91-508, October 26, 1970, 31 U.S.C. §§ 5311-5314, as amended, and all reporting requirements of the Internal Revenue Service, insofar as such provisions and reporting requirements are applicable to gambling establishments.
- (k) In accordance with the Tribe's sovereignty and reflecting its commitment to ensuring fair wages for its employees, the Tribe agrees to adopt standards no less stringent than the minimum wage, maximum hour, child labor, overtime, and working condition standards set forth in the Fair Labor Standards Act, 29 U.S.C. § 201 et seq., and the United States Department of Labor regulations implementing the Fair Labor Standards Act, 29 C.F.R. § 500 et seq. The Gaming Operation has adopted its own wage scales for the Gaming Facility consistent with the state minimum wage law enacted pursuant to California Labor Code section 1182.12 and the State Department of Industrial Relations regulations implementing the state minimum wage law, title 8 of the California Code of Regulations, § 11000 et seq., and will maintain wage scales consistent with any future wage changes in these state minimum wage laws. Notwithstanding the foregoing, only the federal minimum wage laws set forth in the Fair Labor Standards Act, 29 U.S.C. § 201 et seq., and its implementing regulations, shall apply to tipped employees. Nothing herein shall make applicable state law concerning overtime or any other wage and hour matters.

Sec. 12.4. Tribal Gaming Facility Standards Ordinance.

The Tribe shall adopt in the form of an ordinance the standards described in subdivisions (a) through (k) of section 12.3 to which the Gaming Operation is held, and shall make available the ordinance on request by the State Gaming Agency after the effective date of this Compact. In the absence of a promulgated tribal standard in respect to a matter identified in those subdivisions, or the express adoption of an applicable federal and/or State statute or regulation, as the case may be, in respect to any such matter, the otherwise applicable federal and/or State statute or regulation shall be deemed to have been adopted by the Tribe as the applicable standard.

Sec. 12.5. Insurance Coverage and Claims.

- (a) The Tribe shall obtain and maintain a commercial general liability insurance policy consistent with industry standards for non-tribal casinos and underwritten by an insurer with an A.M. Best rating of A or higher (Policy) which provides coverage of no less than ten million dollars (\$10,000,000) per occurrence for bodily injury, property damage, and personal injury arising out of, connected with, or relating to the operation of the Gaming Facility or Gaming Activities. In order to effectuate the insurance coverage, the Tribe shall waive its right to assert sovereign immunity up to the limits of the Policy in accordance with the tribal ordinance referenced in subdivision (b) in connection with any claim for bodily injury, property damage, or personal injury arising out of, connected with, or relating to the operation of the Gaming Facility, including, but not limited to, injuries resulting from entry onto the Tribe's land for purposes of patronizing the Gaming Facility or providing goods or services to the Gaming Facility; provided, however, that nothing herein requires the Tribe to agree to liability for punitive damages or to waive its right to assert sovereign immunity in connection therewith. The Policy shall acknowledge that the Tribe has waived its right to assert sovereign immunity for the purpose of arbitration of those claims up to the limits of the Policy referred to above and for the purpose of enforcement of any ensuing award or judgment and shall include an endorsement providing that the insurer shall not invoke tribal sovereign immunity up to the limits of the Policy; however, such endorsement or acknowledgement shall not be deemed to waive or otherwise limit the Tribe's sovereign immunity beyond the Policy limits.

- (b) The Tribe shall maintain in continuous force its tort liability ordinance which shall, prior to the effective date of this Compact and at all times hereafter, continuously provide at least the following:
- (1) That California tort law shall govern all claims of bodily injury, property damage, or personal injury arising out of, connected with, or relating to the operation of the Gaming Facility or the Gaming Activities, including, but not limited to, injuries resulting from entry onto the Tribe's land for purposes of patronizing the Gaming Facility or providing goods or services to the Gaming Facility, provided that any and all laws governing punitive damages need not be a part of the ordinance.
 - (2) That the Tribe waives its right to assert sovereign immunity with respect to review of such claims in the Tribe's tribal court system but only up to the limits of the Policy; provided, however, such waiver shall not be deemed to waive or otherwise limit the Tribe's sovereign immunity beyond the Policy limits.
 - (3) That the Tribe consents to adjudication of such claims in the Tribe's tribal court system, to the extent of the limits of the Policy, that discovery in the proceedings shall be governed by the San Manuel Rules of Civil Procedure, which shall be made available on the Tribe's website, that adjudication in the Tribe's tribal court system shall proceed at no cost to the claimant, but the Tribe's tribal court may award reasonable costs to the prevailing party, and that any party dissatisfied with the award of the Tribe's tribal court may appeal to the Tribe's appellate court. To effectuate its consent to the foregoing procedure, the Tribe shall, in the exercise of its sovereignty, waive its right to assert its sovereign immunity in connection with the jurisdiction of the Tribe's tribal court system to hear any claim arising under this subdivision (b).
 - (4) The Ordinance may require that the claimant first exhaust the Tribe's administrative remedies, if any, for resolving the claim (hereinafter the "Tribal Dispute Resolution Process") in accordance with the following standards:

- (A) That upon notice that a claimant alleges to have suffered an injury or damage, the Tribe or the Tribal Gaming Agency shall provide notice by personal service or certified mail, return receipt requested, that the claimant is required within one-hundred eighty (180) calendar days of receipt of the written notice (limitation period) to proceed with the Tribal Dispute Resolution Process.
 - (B) That the claimant must bring his or her claim within one-hundred eighty (180) days of receipt of the written notice of the Tribal Dispute Resolution Process as long as the notice specified in subdivision (c) has been satisfied.
 - (C) That the tribal court proceedings may be stayed until the completion of the Tribal Dispute Resolution Process or one-hundred eighty (180) days from the date the claim was filed, whichever first occurs, unless the parties mutually agree upon a longer period.
 - (D) That the decision of the Tribal Dispute Resolution Process be a reasoned decision, and shall be rendered within one-hundred eighty (180) days from the date the claim was filed.
- (c) Upon notice that a claimant claims to have suffered an injury or damage covered by this section, the Tribe shall provide notice by personal service or certified mail, return receipt requested, that the claimant is required within the specified limitation period to first exhaust the Tribal Dispute Resolution Process, if any, and if dissatisfied with the resolution, is entitled to request review in the Tribe's tribal court system.
 - (d) Failure to comply with this section 12.5, subdivision (b), shall be deemed a material breach of the Compact.
 - (e) If the tribal court system is not available or ceases to operate, all claims of bodily injury, property damage, or personal injury covered under this section will be resolved pursuant to the procedures for the

JAMS Streamlined Arbitration and the JAMS Optional Arbitration Appeal Procedure as provided in section 10.0.

Sec. 12.6. Participation in State Programs Related to Employment.

- (a) Unless the Tribe exercises its right under this section 12.6, subdivision (b), the Tribe agrees that it will participate in the State's workers' compensation program with respect to employees employed at the Gaming Operation and the Gaming Facility. The workers' compensation program includes, but is not limited to, state laws relating to the securing of payment of compensation through one (1) or more insurers duly authorized to write workers' compensation insurance in this state or through self-insurance as permitted under the State's workers' compensation laws. All disputes arising from the workers' compensation laws shall be heard by the Workers' Compensation Appeals Board pursuant to the California Labor Code. The Tribe hereby consents to the jurisdiction of the Workers' Compensation Appeals Board and the courts of the State of California for purposes of enforcement of this subdivision. The parties agree that independent contractors doing business with the Tribe are bound by all state workers' compensation laws and obligations.
- (b) In lieu of permitting the Gaming Operation and Gaming Facility to participate in the State's workers' compensation system, the Tribe may create and maintain a system that provides redress for employee work-related injuries through requiring insurance or self-insurance, which system must include a scope of coverage, provision of up to ten thousand dollars (\$10,000) in medical treatment for an alleged injury until the date that liability for the claim is accepted or rejected, employee choice of physician (either after thirty (30) days from the date of the injury is reported or if a medical provider network has been established, within the medical provider network), quality and timely medical treatment provided comparable to the state's medical treatment utilization schedule, availability of an independent medical examination to resolve disagreements on appropriate treatment (by an Independent Medical Reviewer on the State's approved list, a Qualified Medical Evaluator on the State's approved list, or an Agreed Medical Examiner upon mutual agreement of the employer and employee), the right to notice, hearings before an independent tribunal, a means of enforcement against the employer, and benefits

(including, but not limited to, disability, rehabilitation and return to work) comparable to those mandated for comparable employees under state law. Not later than the effective date of this Compact, or sixty (60) days prior to the commencement of Gaming Activities under this Compact, the Tribe will advise the State of its election to participate in the State's workers' compensation system or, alternatively, will forward to the State all relevant ordinances that have been adopted and all other documents establishing the system and demonstrating that the system is fully operational and compliant with the comparability standard set forth above. The parties agree that independent contractors doing business with the Tribe must comply with all state workers' compensation laws and obligations.

- (c) The Tribe agrees that it will participate in the State's program for providing unemployment compensation benefits and unemployment compensation disability benefits with respect to employees employed at the Gaming Operation or Gaming Facility, which participation shall include compliance with the provisions of the California Unemployment Insurance Code, and the Tribe consents to the jurisdiction of the State agencies charged with the enforcement of that Code and of the courts of the State of California for purposes of enforcement of this subdivision.
- (d) As a matter of comity, the Tribe shall, with respect to persons, including nonresidents of California, employed at the Gaming Operation or Gaming Facility, withhold all amounts due to the State as provided in the California Unemployment Insurance Code and, except for tribal members living on the Tribe's reservation, as provided in the California Revenue and Taxation Code and the regulations thereunder, as may be amended from time to time, and shall forward such amounts to the State. The Tribe shall file with the Franchise Tax Board a copy of any information return filed with the Secretary of the Treasury, as provided in the California Revenue and Taxation Code and the regulations thereunder, except those pertaining to tribal members living on the Tribe's reservation. For purposes of this subdivision, "reservation" refers to the Tribe's Indian lands within the meaning of IGRA or lands otherwise held in trust for the Tribe by the United States, and "tribal members" refers to the enrolled members of the Tribe.

- (e) As a matter of comity, the Tribe shall, with respect to the earnings of any person employed at the Gaming Operation or Gaming Facility, comply with all earnings withholding orders for support of a child, or spouse or former spouse, and all other orders by which the earnings of an employee are required to be withheld by an employer pursuant to chapter 5 (commencing with section 706.010) of division 1 of title 9 of part 2 of the California Code of Civil Procedure, and with all earnings assignment orders for support made pursuant to chapter 8 (commencing with section 5200) of part 5 of division 9 of the California Family Code or section 3088 of the California Probate Code.

Sec. 12.7. Emergency Services Accessibility.

The Tribe shall make reasonable provisions for adequate emergency fire, medical, and related relief and disaster services for patrons and employees of the Gaming Facility.

Sec. 12.8. Alcoholic Beverage Service.

Purchase, sale, and service of alcoholic beverages by or to patrons shall be subject to state alcoholic beverage laws.

Sec. 12.9. Possession of Firearms.

The possession of firearms by any person in the Gaming Facility is prohibited at all times, except for federal, state, or local law enforcement personnel, or tribal law enforcement or security personnel authorized by tribal law and federal or state law to possess firearms at the Gaming Facility.

Sec. 12.10. Labor Relations.

In light of the facts that: before the enactment of its Tribal Labor Relations Ordinance (TLRO) the Tribe entered into a collective bargaining agreement with a labor organization, which governs the organizational and representational rights of employees at the Gaming Facility; the Tribe has negotiated and entered into several renewals of that collective bargaining agreement, including one that was recently renewed and is in full force and effect; the balance of interests between the employees and the Tribe was achieved through those collective bargaining efforts as reflected in those renewals, including the present agreement; and the

ongoing relationship among the employees, their union, and the Tribe has been forged after years of effort and mutual experience and is of critical importance to all concerned; the parties agree that no change in the TLRO is necessary to address employee rights at this time, but that should the collective bargaining agreement come to an end and not be renewed, the TLRO attached as Appendix B shall be adopted by the Tribe in place of the existing TLRO.

SECTION 13.0. DISPUTE RESOLUTION PROVISIONS.

Sec. 13.1. Voluntary Resolution; Court Resolution.

In recognition of the government-to-government relationship of the Tribe and the State, the parties shall make their best efforts to resolve disputes that arise under this Compact by good faith negotiations whenever possible. Therefore, except for the right of either party to seek injunctive relief against the other when circumstances are deemed to require immediate relief, the Tribe and the State shall seek to resolve disputes by first meeting and conferring in good faith in order to foster a spirit of cooperation and efficiency in the administration and monitoring of the performance and compliance of the terms, provisions, and conditions of this Compact, as follows:

- (a) Either party shall give the other, as soon as possible after the event giving rise to the concern, a written notice setting forth the facts giving rise to the dispute and with specificity, the issues to be resolved.
- (b) The other party shall respond in writing to the facts and issues set forth in the notice within fifteen (15) days of receipt of the notice, unless both parties agree in writing to an extension of time.
- (c) The parties shall meet and confer in good faith by telephone or in person in an attempt to resolve the dispute through negotiation within thirty (30) days after receipt of the notice set forth in subdivision (a), unless both parties agree in writing to an extension of time.
- (d) If the dispute is not resolved to the satisfaction of the parties after the first meeting, either party may seek to have the dispute resolved by an arbitrator in accordance with this section, but neither party shall be required to agree to submit to arbitration.

- (e) Disputes that are not otherwise resolved by arbitration or other mutually agreed means may be resolved in the United States District Court in the judicial district where the Tribe's Gaming Facility is located, or if the federal court lacks jurisdiction, in any state court of competent jurisdiction in or over the County. The disputes to be submitted to court action include, but are not limited to, claims of breach of this Compact, provided that the remedies expressly provided in section 13.4, subdivision (a)(ii) are the sole and exclusive remedies available to either party for issues arising out of this Compact and supersede any remedies otherwise available, whether at law, tort, contract, or in equity and, notwithstanding any other provision of law or this Compact, neither the State nor the Tribe shall be liable for damages or attorney fees in any action based in whole or in part on the fact that the parties have either entered into this Compact, or have obligations under this Compact. The parties are entitled to all rights of appeal permitted by law in the court system in which the action is brought.
- (f) In no event may the Tribe be precluded from pursuing any arbitration or judicial remedy against the State on the ground that the Tribe has failed to exhaust its State administrative remedies, and in no event may the State be precluded from pursuing any arbitration or judicial remedy against the Tribe on the ground that the State has failed to exhaust any tribal administrative remedies.

Sec. 13.2. Arbitration Rules for the Tribe and the State.

Arbitration between the Tribe and the State shall be conducted before a JAMS arbitrator in accordance with JAMS Comprehensive Arbitration. Discovery in the arbitration proceedings shall be governed by section 1283.05 of the California Code of Civil Procedure, provided that no discovery authorized by that section may be conducted without leave of the arbitrator. The parties shall equally bear the cost of JAMS and the JAMS arbitrator. Either party dissatisfied with the award of the arbitrator may at the party's election invoke the JAMS Optional Arbitration Appeal Procedure (or if those rules no longer exist, the closest equivalent). In any JAMS arbitration under this section 13.2, the parties will bear their own attorney's fees. The arbitration shall take place within seventy-five (75) miles of the Gaming Facility, or as otherwise mutually agreed by the parties and the parties agree that either party may file a state or federal court action to (i) enforce the parties' obligation to arbitrate, (ii) confirm, correct, or vacate the

arbitral award rendered in the arbitration in accordance with section 1285 et seq. of the California Code of Civil Procedure, or (iii) enforce or execute a judgment based upon the award. In any such action brought with respect to the arbitration award, the parties agree that venue is proper in any state court located within the County or in any federal court located in the Central District of California, Eastern Division.

Sec. 13.3. No Waiver or Preclusion of Other Means of Dispute Resolution.

This section 13.0 may not be construed to waive, limit, or restrict any remedy to address issues not arising out of this Compact that is otherwise available to either party, nor may this section be construed to preclude, limit, or restrict the ability of the parties to pursue, by mutual agreement, any other method of Compact dispute resolution, including, but not limited to, mediation.

Sec. 13.4. Limited Waiver of Sovereign Immunity.

- (a) For the purpose of actions or arbitrations based on disputes between the State and the Tribe that arise under this Compact and the enforcement of any judgment or award resulting therefrom, the State and the Tribe expressly waive their right to assert their sovereign immunity from suit and enforcement of any ensuing judgment or arbitral award and consent to the arbitrator's jurisdiction and further consent to be sued in federal court, or if the federal court lacks jurisdiction, state court, provided that: (i) the dispute is limited solely to issues arising under this Compact, (ii) neither the Tribe nor the State makes any claim for restitution or monetary damages, except that payment of any money expressly required by the terms of this Compact may be sought, and solely injunctive relief, specific performance (including enforcement of a provision of this Compact expressly requiring the payment of money to one or another of the parties), and declaratory relief (limited to a determination of the respective obligations of the parties under the Compact) may be sought, and (iii) nothing herein shall be construed to constitute a waiver of the sovereign immunity of either the Tribe or the State with respect to any third party that is made a party or intervenes as a party to the action.

- (b) In the event that intervention, joinder, or other participation by any additional party in any action between the State and the Tribe would result in the waiver of the Tribe's or the State's sovereign immunity as to that additional party, the waivers of either the Tribe or the State provided herein may be revoked, except where joinder is required to preserve the court's jurisdiction, in which case the State and the Tribe may not revoke their waivers of sovereign immunity as to each other.
- (c) The waivers and consents to jurisdiction expressly provided for under this section 13.0 and elsewhere in the Compact shall extend to all arbitrations and civil actions expressly authorized by this Compact, including actions to compel arbitration, any arbitration proceeding herein, any action to confirm, modify, or vacate any arbitral award or to enforce any judgment, and any appellate proceeding emanating from any such proceedings, whether in state or federal court.
- (d) Except as stated herein or elsewhere in this Compact, no other waivers or consents to be sued, either express or implied, are granted by either party, whether in state statute or otherwise, including but not limited to Government Code section 98005.

SECTION 14.0. EFFECTIVE DATE AND TERM OF COMPACT.

Sec. 14.1. Effective Date.

This Compact shall not be effective unless and until all of the following have occurred:

- (a) The Compact is ratified in accordance with State law; and
- (b) Notice of approval or constructive approval is published in the Federal Register as provided in 25 U.S.C. § 2710(d)(3)(B).

Sec. 14.2. Term of Compact; Termination.

- (a) Once effective, this Compact shall be in full force and effect for twenty-five (25) years following the effective date.
- (b) Subsequent to exhausting the section 13.0 dispute resolution provisions unless the circumstances are deemed to require immediate

relief, either party may bring an action in federal court, after providing a thirty (30)-day written notice of an opportunity to cure any alleged breach of this Compact, for a declaration that the other party has materially breached this Compact or that a material part of this Compact has been invalidated. If the federal court rules that a party has materially breached this Compact, then the party found to have committed the breach shall have thirty (30) days after a final decision has been issued by the court after any appeals to cure the material breach. If the material breach is not cured within thirty (30) days, then in addition to a declaration of material breach and the equitable remedies explicitly identified in section 13.0, the non-breaching party may seek, in the same federal court action, termination of the Compact as a further judicially imposed remedy. The court may order termination based on a finding (i) that the respondent party has breached its Compact obligations, (ii) that, taking into consideration the facts and circumstances, the breach was not in good faith, and (iii) that the respondent party failed to cure the material breach within the time allowed. In the event a federal court determines that it lacks jurisdiction to impose termination, the matter may be brought in the Superior Court for San Bernardino County, and any finding that termination is warranted shall be effective thirty (30) days after issuance of the termination order by the federal district court or superior court, as the case may be. The parties expressly waive, and also waive their right to assert, sovereign immunity from suit for purposes of an action under this subdivision, subject to the waiver qualifications stated in section 13.4.

- (c) If this Compact does not take effect by December 1, 2018, it shall be deemed null and void unless the Tribe and the State agree in writing to extend the date.

SECTION 15.0. AMENDMENTS; RENEGOTIATIONS.

Sec. 15.1. Amendment by Agreement.

The terms and conditions of this Compact may be amended at any time by the mutual and written agreement of both parties during the term of this Compact as set forth in section 14.2, provided that each party voluntarily consents to such negotiations, including the scope of such negotiations, in writing. Any

amendments to this Compact shall be deemed to supersede, supplant and extinguish all previous understandings and agreements on the subject.

Sec. 15.2. Negotiations for a New Compact.

No sooner than eighteen (18) months before the termination date of this Compact set forth in section 14.2, either party may request the other party to enter into negotiations to extend the term of this Compact or to enter into a new Class III Gaming compact. If the parties have not agreed to extend the term of this Compact or have not entered into a new compact by the termination date in section 14.2, this Compact shall automatically be extended for one (1) calendar year.

Sec. 15.3. Requests to Amend or to Negotiate a New Compact.

All requests to amend this Compact or to negotiate to extend the term of this Compact or to negotiate for a new Class III Gaming compact shall be in writing, addressed to the Tribal Chair or the Governor, as the case may be, and shall include the activities or circumstances to be negotiated, together with a statement of the basis supporting the request. If the request meets both the requirements of this section and section 15.1 for an amendment to this Compact, or the requirements of this section and section 15.2 for a new Class III Gaming compact, and all parties agree in writing to negotiate, the parties shall confer promptly and determine within forty-five (45) days of the request a schedule for commencing negotiations, and both parties shall negotiate in good faith. The Tribal Chair and the Governor of the State are hereby authorized to designate the person or agency responsible for conducting the negotiations, and shall execute any documents necessary to do so.

SECTION 16.0. NOTICES.

Unless otherwise indicated by this Compact, all notices required or authorized to be served shall be served by first-class mail or facsimile transmission to the following addresses, or to such other address as either party may designate by written notice to the other:

Governor
Governor's Office
State Capitol
Sacramento, CA 95814

SECTION 17.0. CHANGES TO IGRA.

This Compact is intended to meet the requirements of IGRA as it reads on the effective date of this Compact, and, when reference is made to IGRA or to an implementing regulation thereof, the referenced provision is deemed to have been incorporated into this Compact as if set out in full. Subsequent changes to IGRA that diminish the rights of the State or the Tribe may not be applied retroactively to alter the terms of this Compact, except to the extent that federal law validly mandates retroactive application without the State's or the Tribe's respective consent.

SECTION 18.0. MISCELLANEOUS.

Sec. 18.1. Third-Party Beneficiaries.

Notwithstanding any provision of law, this Compact is not intended to, and shall not be construed to, create any right on the part of a third party to bring an action to enforce any of its terms.

Sec. 18.2. Complete Agreement.

This Compact, together with all appendices, sets forth the full and complete agreement of the parties and supersedes any prior agreements or understandings with respect to the subject matter hereof.

Sec. 18.3. Construction.

Neither the presence in another tribal-state Class III Gaming compact of language that is not included in this Compact, nor the absence in another tribal-state Class III Gaming compact of language that is present in this Compact shall be a factor in construing the terms of this Compact. In the event of a dispute between the parties as to the language of this Compact or the construction or meaning of any term hereof, this Compact will be deemed to have been drafted by the parties in equal parts so that no presumptions or inferences concerning its terms or interpretation may be construed against any party to this Compact.

Sec. 18.4. Successor Provisions.

Wherever this Compact makes reference to a specific statutory provision, regulation, or set of rules, it also applies to the provision or rules, as they may be amended from time to time, and any successor provision or set of rules.

Sec. 18.5. Ordinances and Regulations.

Whenever the Tribe adopts or amends any ordinance or regulations required to be adopted and/or maintained under this Compact, in addition to any other Compact obligations to provide a copy to others, the Tribe shall upon request provide a copy of such adopted or amended ordinance or regulations to the State Gaming Agency within thirty (30) days of the effective date of such ordinance or regulations.

Sec. 18.6. Calculation of Time.

In computing any period of time prescribed by this Compact, the day of the event from which the designated period of time begins to run shall not be included. The last day of the period so computed shall be included, unless it is a Saturday, a Sunday, or a legal holiday under the Tribe's laws, State law, or federal law. Unless otherwise specifically provided herein, the term "days" shall be construed as calendar days.

Sec. 18.7. Force Majeure.

In the event of a force majeure event, including but not limited to: an act of God; accident; fire; flood; earthquake; or other natural disaster; strike or other labor dispute; riot or civil commotion; act of public enemy; enactment of any rule; order or act of a government or governmental instrumentality; effects of an extended restriction of energy use; and other causes of a similar nature beyond the Tribe's control that causes the Tribe's Gaming Operation or Facility to be inoperable or operate at significantly less capacity; the parties agree to meet and confer for the purpose of discussing the event and the appropriate actions given the circumstances.

Sec. 18.8. Representations.

- (a) The Tribe expressly represents that as of the date of the undersigned's execution of this Compact the undersigned has the authority to execute this Compact on behalf of the Tribe, including any waiver of sovereign immunity and the right to assert sovereign immunity therein, and will provide written proof of such authority and of the ratification of this Compact by the tribal governing body to the Governor no later than thirty (30) days after the execution of this Compact by the undersigned.
- (b) The Tribe further represents that it is (i) recognized as eligible by the Secretary of the Interior for special programs and services provided by the United States to Indians because of their status as Indians, and (ii) recognized by the Secretary of the Interior as possessing powers of self-government.
- (c) In entering into this Compact, the State expressly relies upon the foregoing representations by the Tribe, and the State's entry into the Compact is expressly made contingent upon the truth of those representations as of the date of the Tribe's execution of this Compact through the undersigned. If the Tribe fails to timely provide written proof of the undersigned's aforesaid authority to execute this Compact or written proof of ratification by the Tribe's governing body, the Governor shall have the right to declare this Compact null and void.

- (d) This Compact shall not be presented to the California State Legislature for a ratification vote until the Tribe has provided the written proof required in subdivision (a) to the Governor.

IN WITNESS WHEREOF, the undersigned sign this Compact on behalf of the State of California and the San Manuel Band of Mission Indians.

Tribal Labor Relations Ordinance

Section 1: Threshold of Applicability

- (a) If the Tribe employs 250 or more persons in a tribal casino and related facility, it shall adopt this Tribal Labor Relations Ordinance (TLRO or Ordinance). For purposes of this Ordinance, a “tribal casino” is one in which class III gaming is conducted pursuant to the tribal-state compact. A “related facility” is one for which the only significant purpose is to facilitate patronage of the class III gaming operations.
- (b) Upon the request of a labor union or organization which exists for the purpose, in whole or in part, of dealing with employers concerning grievances, labor disputes, wages, rates of pay, hours of employment, or conditions of work, the Tribal Gaming Commission shall certify the number of employees in a tribal casino or other related facility as defined in subsection (a) of this Section 1. Either party may dispute the certification of the Tribal Gaming Commission to the Tribal Labor Panel, which is defined in Section 13 herein.

Section 2: Definition of Eligible Employees

- (a) The provisions of this ordinance shall apply to any person (hereinafter “Eligible Employee”) who is employed within a tribal casino in which class III gaming is conducted pursuant to a tribal-state compact, or other related facility, the only significant purpose of which is to facilitate patronage of the class III gaming operations, except for any of the following:
 - (1) any employee who is a supervisor, defined as any individual having authority, in the interest of the Tribe and/or employer, to hire, transfer, suspend, lay off, recall, promote, discharge, assign, reward, or discipline other employees, or responsibility to direct them or to adjust their grievances, or effectively to recommend such action, if in connection with the foregoing the exercise of such authority is not of a merely routine or clerical nature, but requires the use of independent judgment;

- (2) any employee of the Tribal Gaming Commission;
 - (3) any employee of the security or surveillance department, other than those who are responsible for the technical repair and maintenance of equipment;
 - (4) any cash operations employee who is a “cage” employee or money counter; or
 - (5) any dealer.
- (b) On [month] 1 of each year, the Tribal Gaming Commission shall certify the number of Eligible Employees employed by the Tribe to the administrator of the Tribal Labor Panel.

Section 3: Non-Interference with Regulatory or Security Activities

Operation of this Ordinance shall not interfere in any way with the duty of the Tribal Gaming Commission to regulate the gaming operation in accordance with the Tribe’s National Indian Gaming Commission- approved gaming ordinance. Furthermore, the exercise of rights hereunder shall in no way interfere with the tribal casino’s surveillance/security systems, or any other internal controls system designed to protect the integrity of the Tribe’s gaming operations. The Tribal Gaming Commission is specifically excluded from the definition of Eligible Employees and Tribe and its agents.

Section 4: Eligible Employees Free to Engage in or Refrain From Concerted Activity

Eligible Employees shall have the right to self-organization, to form, to join, or assist employee organizations, to bargain collectively through representatives of their own choosing, to engage in other concerted activities for the purpose of collective bargaining or other mutual aid or protection, and shall also have the right to refrain from any or all such activities.

Section 5: Unfair Labor Practices for the Tribe

It shall be an unfair labor practice for the Tribe and/or employer or their agents:

- (a) to interfere with, restrain, or coerce Eligible Employees in the exercise of the rights guaranteed herein;
- (b) to dominate or interfere with the formation or administration of any labor organization or contribute financial or other support to it, but this does not restrict the Tribe and/or employer and a certified union from agreeing to union security or dues check off;
- (c) to discharge or otherwise discriminate against an Eligible Employee because s/he has filed charges or given testimony under this Ordinance; or
- (d) after certification of the labor organization pursuant to Section 10, to refuse to bargain collectively with the representatives of Eligible Employees.

Section 6: Unfair Labor Practices for the Union

It shall be an unfair labor practice for a labor organization or its agents:

- (a) to interfere, restrain, or coerce Eligible Employees in the exercise of the rights guaranteed herein;
- (b) to engage in, or to induce or encourage any individual employed by any person engaged in commerce or in an industry affecting commerce to engage in, a strike or a primary or secondary boycott or a refusal in the course of his employment to use, manufacture, process, transport or otherwise handle or work on any goods, articles, materials, or commodities or to perform any services; or to threaten, coerce, or restrain any person engaged in commerce or in an industry affecting commerce or other terms and conditions of employment. This section does not apply to Section 11;
- (c) to force or require the Tribe and/or employer to recognize or bargain with a particular labor organization as the representative of Eligible Employees if another labor organization has been certified as the representative of such Eligible Employees under the provisions of this TLRO;

- (d) to refuse to bargain collectively with the Tribe and/or employer, provided it is the representative of Eligible Employees subject to the provisions herein; or
- (e) to attempt to influence the outcome of a tribal governmental election, provided, however, that this section does not apply to tribal members.

Section 7: Tribe and Union Right to Free Speech

- (a) The Tribe's and union's expression of any view, argument or opinion or the dissemination thereof, whether in written, printed, graphic or visual form, shall not constitute or be evidence of interference with, restraint, or coercion if such expression contains no threat of reprisal or force or promise of benefit.
- (b) The Tribe agrees that if a union first offers in writing that it and its local affiliates will comply with (b)(1) and (b)(2), the Tribe shall comply with the provisions of (c) and (d).
 - (1) For a period of three hundred sixty-five (365) days following delivery of a Notice of Intent to Organize (NOIO) to the Tribe:
 - (A) not engage in strikes, picketing, boycotts, attack websites, or other economic activity at or in relation to the tribal casino or related facility; and refrain from engaging in strike-related picketing on Indian lands as defined in 25 U.S.C. § 2703(4);
 - (B) not disparage the Tribe for purposes of organizing Eligible Employees;
 - (C) not attempt to influence the outcome of a tribal government election; and
 - (D) during the three hundred sixty-five (365) days after the Tribe receives the NOIO, the Union must collect dated and signed authorization cards pursuant to Section 10 herein and complete the secret ballot election also in Section 10 herein. Failure to complete the secret ballot election within the three hundred sixty five (365) days

after the Tribe receives the NOIO shall mean that the union shall not be permitted to deliver another NOIO for a period of two years (730 days).

- (2) Resolve all issues, including collective bargaining impasses, through the binding dispute resolution mechanisms set forth in Section 13 herein.
- (b) Upon receipt of a NOIO, the Tribe shall:
 - (1) within two (2) days, provide to the union an election eligibility list containing the full first and last names of the Eligible Employees within the sought-after bargaining unit and the Eligible Employees' last known addresses and telephone numbers and email addresses;
 - (2) for period of three hundred sixty-five (365) days thereafter, the Tribe will not do any action nor make any statement that directly or indirectly states or implies any opposition by the Tribe to the selection by such employees of a collective bargaining agent, or preference for or opposition to any particular union as a bargaining agent. This includes refraining from making derisive comments about unions; publishing or posting pamphlets, fliers, letters, posters, or any other communication which could reasonably be interpreted as criticizing the union or advising Eligible Employees to vote "no" against the union. However, the Tribe shall be free at all times to fully inform Eligible Employees about the terms and conditions of employment it provides to employees and the advantages of working for the Tribe; and
 - (3) resolve all issues, including collective bargaining impasses, through the binding dispute resolution mechanisms set forth in Section 13 herein.
- (c) The union's offer in subsection (b) of this Section 7 shall be deemed an offer to accept the entirety of this Ordinance as a bilateral contract between the Tribe and the union, and the Tribe agrees to accept such offer. By entering into such bilateral contract, the union and Tribe mutually waive any right to file any form of action or proceeding with

the National Labor Relations Board for the three hundred sixty-five (365)-day period following the NOIO.

- (d) The Tribe shall mandate that any entity responsible for all or part of the operation of the casino and related facility shall assume the obligations of the Tribe under this Ordinance. If at the time of the management contract, the Tribe recognizes a labor organization as the representative of its employees, certified pursuant to this Ordinance, the labor organization will provide the contractor, upon request, the election officer's certification which constitutes evidence that the labor organization has been determined to be the majority representative of the Tribe's Eligible Employees.

Section 8: Access to Eligible Employees

- (a) Access shall be granted to the union for the purposes of organizing Eligible Employees, provided that such organizing activity shall not interfere with patronage of the casino or related facility or with the normal work routine of the Eligible Employees and shall be done on non-work time in non-work areas that are designated as employee break rooms or locker rooms that are not open to the public. The Tribe may require the union and or union organizers to be subject to the same licensing rules applied to individuals or entities with similar levels of access to the casino or related facility, provided that such licensing shall not be unreasonable, discriminatory, or designed to impede access.
- (b) The Tribe, in its discretion, may also designate additional voluntary access to the Union in such areas as employee parking lots and non-casino facilities located on tribal lands.
- (c) In determining whether organizing activities potentially interfere with normal tribal work routines, the union's activities shall not be permitted if the Tribal Labor Panel determines that they compromise the operation of the casino:
 - (1) security and surveillance systems throughout the casino, and reservation;
 - (2) access limitations designed to ensure security;

- (3) internal controls designed to ensure security; or
 - (4) other systems designed to protect the integrity of the Tribe's gaming operations, tribal property and/or safety of casino personnel, patrons, employees or tribal members, residents, guests or invitees.
- (d) The Tribe agrees to facilitate the dissemination of information from the union to Eligible Employees at the tribal casino by allowing posters, leaflets and other written materials to be posted in non-public employee break areas where the Tribe already posts announcements pertaining to Eligible Employees. Actual posting of such posters, notices, and other materials shall be by employees desiring to post such materials.

Section 9: Indian Preference Explicitly Permitted

Nothing herein shall preclude the Tribe from giving Indian preference in employment, promotion, seniority, lay-offs, or retention to members of any federally recognized Indian tribe or shall in any way affect the Tribe's right to follow tribal law, ordinances, personnel policies, or the Tribe's customs or traditions regarding Indian preference in employment, promotion, seniority, lay-offs, or retention. Moreover, in the event of a conflict between tribal law, tribal ordinance, or the Tribe's customs and traditions regarding Indian preference and this Ordinance, the tribal law, tribal ordinance, or the Tribe's customs and traditions shall govern.

Section 10: Secret Ballot Elections

- (a) The election officer shall be chosen within three (3) business days of notification by the labor organization to the Tribe of its intention to present authorization cards, and the same election officer shall preside thereafter for all proceedings under the request for recognition; provided, however, that if the election officer resigns, dies, or is incapacitated for any other reason from performing the functions of this office, a substitute election officer shall be selected in accordance with the dispute resolution provisions herein. Dated and signed authorization cards from thirty percent (30%) or more of the Eligible Employees within the bargaining unit verified by the elections officer

will result in a secret ballot election. The election officer shall make a determination as to whether the required thirty percent (30%) showing has been made within one (1) working day after the submission of authorization cards. If the election officer determines the required thirty percent (30%) showing of interest has been made, the election officer shall issue a notice of election. The election shall be concluded within thirty (30) calendar days of the issuance of the notice of election.

- (b) Upon the showing of interest to the election officer pursuant to subsection (a), within two (2) working days the Tribe shall provide to the union an election eligibility list containing the full first and last names of the Eligible Employees within the sought after bargaining unit and the Eligible Employees' last known addresses and telephone numbers and email addresses. Nothing herein shall preclude a Tribe from voluntarily providing an election eligibility list at an earlier point of a union organizing campaign with or without an election.
- (c) The election shall be conducted by the election officer by secret ballot pursuant to procedures set forth in a consent election agreement in substantially the same form as Attachment 1. In the event either that a party refuses to enter into the consent election agreement or that the parties do not agree on the terms, the election officer shall issue an order that conforms to the terms of the form consent election agreement and shall have authority to decide any terms upon which the parties have not agreed, after giving the parties the opportunity to present their views in writing or in a telephonic conference call. The election officer shall be a member of the Tribal Labor Panel chosen in the same manner as a single arbitrator pursuant to the dispute resolution provisions herein at Section 13(b)(2). All questions concerning representation of the Tribe and/or Eligible Employees by a labor organization shall be resolved by the election officer.
- (d) The election officer shall certify the labor organization as the exclusive collective bargaining representative of a unit of employees if the labor organization has received the support of a majority of the Eligible Employees in a secret ballot election that the election officer determines to have been conducted fairly. The numerical threshold for certification is fifty percent (50%) of the Eligible Employees plus one. If the election officer determines that the election was conducted

unfairly due to misconduct by the Tribe and/or employer or union, the election officer may order a re-run election. If the election officer determines that there was the commission of serious Unfair Labor Practices by the Tribe, or in the event the union made the offer provided for in Section 7(b) that the Tribe violated its obligations under Section 7(c), which interfered with the election process and precluded the holding of a fair election, and the labor organization is able to demonstrate that it had the support of a majority of the employees in the unit at any time before or during the course of the Tribe's misconduct, the election officer shall certify the labor organization as the exclusive bargaining representative.

- (e) The Tribe or the union may appeal within five (5) days any decision rendered after the date of the election by the election officer to a three (3) member panel of the Tribal Labor Panel mutually chosen by both parties, provided that the Tribal Labor Panel must issue a decision within thirty (30) days after receiving the appeal.
- (f) A union which loses an election and has exhausted all dispute remedies related to the election may not invoke any provisions of this ordinance at that particular casino or related facility until one (1) year after the election was lost.

Section 11: Collective Bargaining Impasse

- (a) Upon recognition, the Tribe and the union will negotiate in good faith for a collective bargaining agreement covering bargaining unit employees represented by the union.
- (b) Except where the union has made the written offer set forth in Section 7(b), if collective bargaining negotiations result in impasse, the union shall have the right to strike. Strike-related picketing shall not be conducted on Indian lands as defined in 25 U.S.C. § 2703(4).
- (c) Where the union makes the offer set forth in Section 7(b), if collective bargaining negotiations result in impasse, the matter shall be resolved as set forth in Section 13(c).

Section 12: Decertification of Bargaining Agent

- (a) The filing of a petition signed by thirty percent (30%) or more of the Eligible Employees in a bargaining unit seeking the decertification of a certified union will result in a secret ballot election. The election officer shall make a determination as to whether the required thirty percent (30%) showing has been made within one (1) working day after the submission of authorization cards. If the election officer determines the required thirty percent (30%) showing of interest has been made, the election officer shall issue a notice of election. The election shall be concluded within thirty (30) calendar days of the issuance of the notice of election.
- (b) The election shall be conducted by an election officer by secret ballot pursuant to procedures set forth in a consent election agreement in substantially the same form as Attachment 1. The election officer shall be a member of the Tribal Labor Panel chosen in the same manner as a single arbitrator pursuant to the dispute resolution provisions herein at Section 13(b)(2). All questions concerning the decertification of the union shall be resolved by an election officer. The election officer shall be chosen upon notification to the Tribe and the union of the intent of the Eligible Employees to present a decertification petition, and the same election officer shall preside thereafter for all proceedings under the request for decertification; provided however that if the election officer resigns, dies, or is incapacitated for any other reason from performing the functions of this office, a substitute election officer shall be selected in accordance with the dispute resolution provisions herein.
- (c) The election officer shall order the labor organization decertified as the exclusive collective bargaining representative if a majority of the Eligible Employees support decertification of the labor organization in a secret ballot election that the election officer determines to have been conducted fairly. The numerical threshold for decertification is fifty percent (50%) of the Eligible Employees plus one (1). If the election officer determines that the election was conducted unfairly due to misconduct by the Tribe and/or employer or the union the election officer may order a re-run election or dismiss the decertification petition.

- (d) A decertification proceeding may not begin until one (1) year after the certification of a labor union if there is no collective bargaining agreement. Where there is a collective bargaining agreement, a decertification petition may only be filed no more than ninety (90) days and no less than sixty (60) days prior to the expiration of a collective bargaining agreement. A decertification petition may be filed any time after the expiration of a collective bargaining agreement.
- (e) The Tribe or the union may appeal within five (5) days any decision rendered after the date of the election by the election officer to a three (3) member panel of the Tribal Labor Panel chosen in accordance with Section 13(c), provided that the Tribal Labor Panel must issue a decision within thirty (30) days after receiving the appeal.

Section 13: Binding Dispute Resolution Mechanism

- (a) All issues shall be resolved exclusively through the binding dispute resolution mechanisms herein.
- (b) The method of binding dispute resolution shall be a resolution by the Tribal Labor Panel, consisting of ten (10) arbitrators appointed by mutual selection of the parties which panel shall serve all tribes that have adopted this ordinance. The Tribal Labor Panel shall have authority to hire staff and take other actions necessary to conduct elections, determine units, determine the scope of negotiations, hold hearings, subpoena witnesses, take testimony, and conduct all other activities needed to fulfill its obligations under this Ordinance.
 - (1) Each member of the Tribal Labor Panel shall have relevant experience in federal labor law and/or federal Indian law with preference given to those with experience in both. Names of individuals may be provided by such sources as, but not limited to, Indian Dispute Services, Federal Mediation and Conciliation Service, and the American Academy of Arbitrators.
 - (2) Unless either party objects, one (1) arbitrator from the Tribal Labor Panel will render a binding decision on the dispute under the Ordinance. If either party objects, the dispute will be decided by a three (3)-member panel, unless arbitrator

scheduling conflicts prevent the arbitration from occurring within thirty (30) days of selection of the arbitrators, in which case a single arbitrator shall render a decision. If one (1) arbitrator will be rendering a decision, five (5) Tribal Labor Panel names shall be submitted to the parties and each party may strike no more than two (2) names. If the dispute will be decided by a three (3)-member panel, seven (7) Tribal Labor Panel names will be submitted and each party can strike no more than two (2) names. A coin toss shall determine which party may strike the first name. The arbitrator will generally follow the American Arbitration Association's procedural rules relating to labor dispute resolution. The arbitrator must render a written, binding decision that complies in all respects with the provisions of this Ordinance within thirty (30) days after a hearing.

- (c) (1) Upon certification of a union in accordance with Section 10 of this Ordinance, the Tribe and union shall negotiate for a period of ninety (90) days after certification. If, at the conclusion of the ninety (90)-day period, no collective bargaining agreement is reached and either the union and/or the Tribe believes negotiations are at an impasse, at the request of either party, the matter shall be submitted to mediation with the Federal Mediation and Conciliation Service. The costs of mediation and conciliation shall be borne equally by the parties.
- (2) Upon appointment, the mediator shall immediately schedule meetings at a time and location reasonably accessible to the parties. Mediation shall proceed for a period of thirty (30) days. Upon expiration of the thirty (30)-day period, if the parties do not resolve the issues to their mutual satisfaction, the mediator shall certify that the mediation process has been exhausted. Upon mutual agreement of the parties, the mediator may extend the mediation period.
- (3) Within twenty-one (21) days after the conclusion of mediation, the mediator shall file a report that resolves all of the issues between the parties and establishes the final terms of a collective bargaining agreement, including all issues subject to mediation and all issues resolved by the parties prior to the

certification of the exhaustion of the mediation process. With respect to any issues in dispute between the parties, the report shall include the basis for the mediator's determination. The mediator's determination shall be supported by the record.

- (d) In resolving the issues in dispute, the mediator may consider those factors commonly considered in similar proceedings.
- (e) Either party may seek a motion to compel arbitration or a motion to confirm or vacate an arbitration award, under this Section 13, in the appropriate state superior court, unless a bilateral contract has been created in accordance with Section 7, in which case either party may proceed in federal court. The Tribe agrees to a limited waiver of its sovereign immunity for the sole purpose of compelling arbitration or confirming or vacating an arbitration award issued pursuant to the Ordinance in the appropriate state superior court or in federal court. The parties are free to put at issue whether or not the arbitration award exceeds the authority of the Tribal Labor Panel.

Attachment 1

Upon receipt, the Tribe shall post such Notice of Election conspicuously on all employee bulletin boards in each facility of the employer in which members of the voting unit are employed. Once a Notice of Election is posted, where the union has made the written offer set forth in Section 7(b) of the Tribal Labor Relations Ordinance, the Tribe shall continue to refrain from

publishing or posting pamphlets, fliers, letters, posters or any other communication which should be interpreted as criticism of the union or advises employees to vote “no” against the union. The Tribe shall be free at all times to fully inform employees about the terms and conditions of employment it provides to employees and the advantages of working for the Tribe.
